

December 2024

# Parkside

668 W 150 N, Orem, UT 84057 | 801-592-6286

**BOYS & GIRLS CLUBS**  
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our Social Emotional Learning Focus this month is value in our choices

Happy Birthday

Lily: 12/3  
Valeria: 12/9  
Melany: 12/12

## UPCOMING EVENTS

Local law enforcement visitor on 12/3!

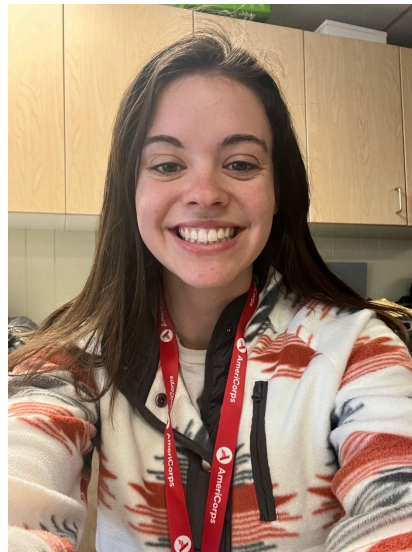

## CLUB CLOSED

Winter Break! 12/20-1/3  
Happy Holidays and Happy New Year!  
We will see you back on 1/6/25

## Get To Know

Kayla is currently a student at UVU studying Business Management. She is a professional tech decker, enjoys scream singing country music in the car, and spending all of her free time at boys and girls club.

## Project Learn

*M-TH (3:10-3:55)*

Project Learn is a time for your students to receive additional academic support. Staff members are able to help them with math, reading, writing, and other homework subjects.

## STEM Club

*Monday & Wednesday  
3:55pm - 4:25pm*

Students will be focusing on Science, specifically biology. They will learn about membranes through Engineering and Elementary curriculum.

## Enrichment

*M-TH 4:25-5:20*

Enrichment activities will include things to further develop our students appreciation for not only their academic careers but their appreciation of their own involvement therein

## Social and Emotional Learning

*M-F (K-3: 3:15-3:45) (4-6: 3:50-4:20)*

Our focus this month will be on Being true to ourselves (Positive Action)

## December Club & Activity Details

### Message to Parents:

We are so excited to be implementing these programs and clubs to help your kids! If you have any questions or any ideas for what you would like your child to be learning while here at the club please feel free to let us know. Thanks!

**Board Game Club:** Board game club is just as it sounds! We will have stations of different games as well as places that we can make our own games to take home and share, with their own rules and structure!

**Make your own fun Club:** With the colder months moving in we are excited to find ways to bring fun inside! We will encourage the kids to make their own games, plan activities that we can have fun with outside and inside when it gets too cold!

**Project Learn** - Project Learn or “Power Hour” is our academic time Monday - Thursday to help support what our club members are learning during the school day. Boys & Girls Club offers homework help, High Yield Learning activities, and other fun games/activities that have an academic focus that are still fun!

**STEM** - STEM is our twice a week rotation that is taught by our AmeriCorps members! STEM includes topics of science, technology, engineering, and math. Within this club our members will be able to learn and explore aspects of how the world works around them. Building, creating, and constructing projects out of objects in the world around them.

**Social Emotional Learning-** Similar to previous years, Boys & Girls Club uses two social emotional learning curricula– SMART Moves and Positive Action. Within both curriculums, club members will learn a lot about feelings, emotions, being a good friend/peer, and ways to help others. Social Emotions are crucial to development and we make learning fun through these curriculums!
