BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our Social Emotional Learning Focus this month is: Paying Attention to our Feelings, Gratitude and Frustration, The Golden Rule, and Respect

Happy Birthday

[Membership Handbook](#)

Project Learn

Monday-Thursday

The main focus of power hour will be to help members complete homework assignments, work on HYLA's (High Yielding Learning Activities) and also participate in our reading program.

STEM Labs

Wednesday-Friday

Youth will have the opportunity to participate in a new experiment every Tuesday, Thursday and Friday! Youth will focus on learning about observation, hypothesis, and the scientific process in these experiments.

Enrichment

Everyday

Enrichment clubs are to further enrich and broaden our members' experiences by offering a variety of clubs that members have a choice between. These clubs are changed on a monthly basis. This month, we will be doing Getting to Know You clubs for each age group. This will encourage kids to get to know their new classmates better and help create friendships!

Social Emotional Learning (Prevention & Behavior)

Monday-Tuesday

Positive Action & SMART Moves curriculum focus on providing youth with important social-emotional skills. All SEL skills are taught through daily lessons and then integrated throughout the rest of programming

January Club & Activity Details

Message to Parents - Hello Parents! This month we are excited to introduce some new clubs to your students! Each Club is detailed below and will include hands-on education and fun activities! We will also continue teaching STEM Club and our Social Emotional learning curriculums! Within these curriculums we will be learning more about how to take care of our intellectual and physical bodies as well as our other emotions as a whole.

Thank you!

As always, reach out with any questions or concerns.

Social Emotional Learning:

Positive Action - Social Emotional Learning curriculum is an evidence based program that is integrated in afterschool activities to build a positive environment

throughout the program -- an environment that encourages students to do their best and be their best. Positive Action teaches real-life concepts that help students feel good about themselves. This program is run Tuesday & Thursday with new topics each week. The January theme is getting along with others, a great way to start off the new year!

Power Hour - The main focus of power hour will be to help youth complete homework assignments, work on HYLE activities and also participate in our reading program. Our goal is to help youth reduce missing assignments by aligning with school day teachers and completing daily assignments at programs to allow family time at home.

STEM Labs:

Science - Youth will have the opportunity to participate in a new experiment every Tuesday, Thursday and Friday! Youth will focus on learning about observation, hypothesis, and the scientific process in these experiments.

Enrichment Clubs:

Vision Board Club- In this club, the students will be able to make their very own vision boards that will help them set goals, aspirations and new things they want to try in this upcoming year!

Together We Can...Club- In this club, students will try new things and challenges that will help them learn teamwork and now that together they can accomplish anything they set their minds to!

Outer Space Club- In this club, we will explore the known and unknown of outer space. They will learn about planets, make their own crafts and play games related to outer space.

Chinese New Years Club- In this club, students will learn about the culture and traditions that come with the Chinese New Year that is celebrated on January 28th. They will learn about games they play, foods they eat and other traditions!

Note: Children will switch between each club every week. Each child will have a new club every week.
