BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our Social Emotional Learning Focus this month is: Gratitude and Frustration, The Golden Rule, Respect, Friendship & Connection

Happy Birthday

Daniel 1/12
Maylen 1/18
Shantal 1/28

Project Learn

M-TH (3:10-3:55)

Project Learn is a time for your students to receive additional academic support. Staff members are able to help them with math, reading, writing, and other homework subjects.

STEM Club

*Monday & Wednesday
3:55pm - 4:25pm*

Students will be focusing on Science, specifically biology. They will learn about membranes through Engineering and Elementary curriculum.

Enrichment

M-TH 4:25-5:20

Enrichment activities will include things to further develop our students appreciation for not only their academic careers but their appreciation of their own involvement therein

Social and Emotional Learning

M-F (K-3: 3:15-3:45) (4-6: 3:50-4:20)

Our social emotional learning curriculum for the rest of the year is Positive Action.

January Club & Activity Detail

Message to Parents:

We are so excited to be implementing these programs and clubs to help your kids! If you have any questions or any ideas for what you would like your child to be learning while here at the club please feel free to let us know. Thanks!

DND Club - Dragons, Orcs, Destiny! In our DND club we will have the kids make their own characters, develop their skills, learn the regulations and embark on a journey aimed at developing their creativity and critical thinking skills to get the prize of all prizes!!

The Final Frontier (Space Club) - This is our exploration of the final frontier, Space! Here we will make models of what our universe looks like, delve into the weird environments that are present out there, explore discoveries made recently about space and so much more. We are so excited!!

Project Learn - Project Learn or “Power Hour” is our academic time Monday - Thursday to help support what our club members are learning during the school day. Boys & Girls Club offers homework help, High Yield Learning activities, and other fun games/activities that have an academic focus that are still fun!

STEM - STEM is our twice a week rotation that is taught by our AmeriCorps members! STEM includes topics of science, technology, engineering, and math. Within this club our members will be able to learn and explore aspects of how the world works around them. Building, creating, and constructing projects out of objects in the world around them.

Social Emotional Learning- Similar to previous years, Boys & Girls Club uses two social emotional learning curricula– SMART Moves and Positive Action. Within both curriculums, club members will learn a lot about feelings, emotions, being a good friend/peer, and ways to help others. Social Emotions are crucial to development and we make learning fun through these curriculums!
