## January Club & Activity Details

### Message to Parents:

Happy 2025! We hope you had a wonderful holiday season and break. We are so excited to dive into this new year at Boys and Girls Club! We have some exciting things planned for January and the coming months. Please take a minute to read about our new club options and other exciting activities that we will have going on this month. As always, we appreciate your continued support. Please feel free to reach out with any questions or concerns. We love to hear from our BGC parents. Happy New Year!

**Read Aloud Club-**Our read aloud club will be a fun way for the students to learn as they listen to stories and do fun activities, games, and crafts that connect with what we've read (think library story hour!). Each week will have a new theme allowing the students to hear all kinds of different stories.

**Career Club-** Career club will get students thinking about many different kinds of careers as we will learn from volunteer presenters from the community each week! From a police officer to an author-we have some exciting volunteers joining our club this month. Students will practice audience etiquette, have an opportunity to ask our volunteers questions about their careers, take notes, and explore their own interests and passions.

**Fun Friday:** This is a time for club members to challenge one another in games, races, drawing contests, or to spend time engaging in their favorite crafts. Free time helps us become better at choosing what we like.

**BGC Mission:** The mission of the Boys & Girls Clubs of Utah/Washington County is to inspire and enable all young people to realize their full potential as productive and responsible citizens and leaders.

**Our Core Promise:** To America's youth we promise to provide a safe, positive place and to have a significant impact on their lives. To the Nation we promise to uphold high ethical standards in all areas, especially overseeing finances, reporting data on membership and community outreach, being good stewards of the donor dollar, and representing ourselves to the public.

**Our Guiding Principles:** Safety, Integrity/Accountability, Commitment to Excellence, Youth-Centric Approach, Respect, Compassion, Reliability/Consistency.

**Our Rules:** 1. Respect Club members, staff and property. 2. Keep hands, feet, and body to yourself. 3. Use appropriate language. 4. Follow directions of Club staff. 5. Have Fun!

As always, we appreciate partnering with you to provide a meaningful and fun learning experience for our club members.
