Get To Know Dianna Zepeda

Hello, my name is Dianna Zepeda. Fun facts about me, I was a dancer for

10 years and my favorite color is pink and I attend school at UVU. My goal this year is to make you and your kids feel safe and supported at Windsor with all our staff. I can't wait to see the youth succeed in their education.

January Club & Activity Details

Message to Parents:

As we wrap up 2024 and step into the holiday season, we want to express our heartfelt thanks for your continued support and trust in the Boys & Girls Club of Utah County's after-school programs. It's been an incredible year, and we're excited to share some of the highlights and upcoming events with you!

Project Learn - Project Learn or "Power Hour" is our academic time Monday - Thursday to help support what our club members are learning during the school day. Boys & Girls Club offers homework help, High Yield Learning activities, and other fun games/activities that have an academic focus that are still fun!

STEM - STEM is our twice a week rotation that is taught by our AmeriCorps member! STEM includes topics of science, technology, engineering, and math. Within this club our members will be able to learn and explore aspects of how the world works around them. Building, creating, and constructing projects out of objects in the world around them.

Social Emotional Learning - Social Emotional is crucial to development and we make learning fun through these curriculums! Within this curriculum, club members will learn a lot about feelings, emotions, being a good friend/peer, and ways to help others.

Dance Club - In dance club students will learn how to create their own dances for their favorite songs.

Careers Club - In the careers club, students will have the opportunity to explore and discover what they want to be when they grow up through fun activities!
