February Club & Activity Details

Message to Parents:

Our mission with clubs and activities is to give your child more opportunities for learning and interactive activities with their peers. The goal is to provide an environment that gives your child the opportunity of choice and integrate into new activities each month. There will be a new set of clubs and activities each month that will be posted on the calendar. For monthly clubs, it is the goal to build on each activity weekly, giving your child the opportunity to learn new skills every week! Every day we spend time with students doing power hour for academic support. Your child has time to work on homework that they have been given during the school day and they receive assistance from all Boys and Girls Club staff. On Tuesdays and Thursdays, students are able to participate in a staff-led activity for the purpose of social and emotional learning. This time is allotted for students to become more educated on life skills and emotional intelligence! I appreciate all of you entrusting us members of BGC to give your child the most enriching experience here at Paradise Canyon Boys and Girls Club. If you have any questions or concerns please feel free to reach out to me!

Creative Club: This is our opportunity to enjoy activities that allow students to show their creative side and understand new hobbies that they might enjoy. This month we will be doing a career club!

Physical Club: This club is a time where we can vote and agree on a game or physical activity that will be fun for club members. It often leads to basketball games, kickball, four square or tag.

Fun Friday: This is a time for club members to challenge one another in games, races, drawing contests, or to spend time engaging in their favorite crafts. Free time helps us become better at choosing what we like.

BGC Mission: The mission of the Boys & Girls Clubs of Utah/Washington County is to inspire and enable all young people to realize their full potential as productive and responsible citizens and leaders.

Our Core Promise: To America's youth we promise to provide a safe, positive place and to have a significant impact on their lives. To the Nation we promise to uphold high ethical standards in all areas, especially overseeing finances, reporting data on membership and community outreach, being good stewards of the donor dollar, and representing ourselves to the public.

Our Guiding Principles: Safety, Integrity/Accountability, Commitment to Excellence, Youth-Centric Approach, Respect, Compassion, Reliability/Consistency.

Our Rules: 1. Respect Club members, staff and property. 2. Keep hands, feet, and body to yourself. 3. Use appropriate language. 4. Follow directions of Club staff. 5. Have Fun!
