

February 2025

[Windsor]

1315 North Main Street Orem, UT 84057 | 801-372-5373

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our Social Emotional Learning Focus this month is: Introduction to Positive Action & Understanding our Self Concept

Happy Birthday

Matthew - 1st
Cynthia - 2nd
Luca - 17th
Adam - 25th

UPCOMING EVENTS

CLUB CLOSED

February 5th & 6th - Parent teacher conferences
February 7th - teacher development day
February 17th - Presidents day

Get To Know

Emma Lawyer

My name is Emma and I'm so excited to get to know everyone at Windsor this year! I grew up in Utah and I have a masters degree in public health. I love

the outdoors. Hiking and camping are some of my favorite things to do. I also enjoy horseback riding, watercolor painting, and reading. I am passionate about health and education and I love helping others succeed.

Project Learn

Monday - Thursday
4:00pm - 4:25pm

Homework Help, High Yield Learning Activities, and other fun 'get to know you' Brain games!

February Club & Activity Details

Message to Parents:

As we step into February, we're excited to continue providing a safe, fun, and enriching environment for your children. This month, we're focusing on [insert theme, e.g., "Kindness & Community" or "Learning & Leadership"], with activities designed to spark creativity, teamwork, and growth. Thank you for trusting us to support your children's development. If you have any questions or suggestions, please don't hesitate to reach out. Together, we're building brighter futures!

Project Learn - Project Learn or "Power Hour" is our academic time Monday - Thursday to help support what our club members are learning during the school day. Boys & Girls Club offers homework help, High Yield Learning activities, and other fun games/activities that have an academic focus that are still fun!

STEM - STEM is our twice a week rotation that is taught by our AmeriCorps member! STEM includes topics of science, technology, engineering, and math. Within this club our members will be able to learn and explore aspects of how the world works around them. Building, creating, and constructing projects out of objects in the world around them.

Social Emotional Learning - Similar to previous years, Boys & Girls Club uses two social emotional learning curriculums— SMART Moves and Positive Action. Within both curriculums, club members will learn a lot about feelings, emotions, being a good friend/peer, and ways to help others. Social Emotional Learning is crucial to development and we make learning fun through these curriculums!

Valentine's Club - The students will do valentine's crafts and learn all about kindness, friendship, and service.

Careers Club - In the careers club, students will have the opportunity to explore and discover what they want to be when they grow up through fun activities!
