CLUB OFFERINGS

Project Learn (Power Hour)

Project Learn, or "Power Hour", is a dedicated time during our clubs where students receive homework assistance and have the opportunity to enhance their literacy skills. This focused period supports academic success and encourages a deeper understanding of their schoolwork, helping students build a strong foundation for future learning.

STEM Labs

We offer a variety of clubs focused on building skills in Science, Technology, Engineering, and Math (STEM). Through these clubs, students will engage in diverse STEM activities, learning essential skills that foster innovation, critical thinking, and problem-solving. These hands-on experiences not only enhance their understanding of STEM concepts but

also inspire a lifelong passion for learning and discovery.

Enrichment

Students are given the opportunity to explore and learn a diverse range of skills through various engaging activities. These activities are carefully designed to foster creativity, critical thinking, and collaboration, ensuring that each student can discover and develop their unique talents. From hands-on projects and interactive workshops to team-building exercises and individual challenges, our program offers a comprehensive approach to learning that goes beyond traditional classroom experiences. This holistic approach helps students gain confidence, enhance their problem-solving abilities, and build essential life skills that will serve them well in the future.

Social Emotional Learning Prevention & Education

Positive Action is designed to equip students with essential social and emotional learning skills, helping them develop effective communication and social interaction abilities that will benefit them throughout their lives. Our goal is to support youth in becoming their best selves in all situations.

March Club & Activity Details

Message to Parents:

Hello from The Boys & Girls Club at Walden High! We're beyond excited to have you in our afterschool program, where every day is an adventure in learning and discovery. In this new month, prepare for a whirlwind of fresh activities, creative projects, and enriching experiences designed to spark curiosity and foster growth. Our dedicated team is ready to guide your child through a year filled with fun, exploration, and achievement. Thank you for your ongoing support and enthusiasm—together, we'll make this year unforgettable!

Project Learn - Power Hour: Project Learn (Power Hour) is a dedicated time during our clubs where students receive homework assistance and have the opportunity to enhance their literacy skills. This focused period supports academic success and encourages a deeper understanding of their schoolwork, helping students build a strong foundation for future learning.

Social Emotional Learning - Positive Action: Positive Action is designed to equip students with essential social and emotional learning skills, helping them develop effective communication and social interaction abilities that will benefit them throughout their lives. Our goal is to support youth in becoming their best selves in all situations.

***NEW* Language Arts Enrichment - Creative Writing Club:** Unleash your imagination and bring your stories to life in the new **Creative Writing Club!** Whether you love poetry, short stories, journaling, or world-building, this afterschool club is a space to explore your voice, share ideas, and develop your writing skills in a supportive and inspiring environment. Join us for fun writing prompts, group discussions, and opportunities to showcase your work. No experience needed—just bring your creativity!

Theater Enrichment - Drama Club: Join us every week for Drama Club as we prepare for this year's Spring play, *Peter and the Starcatcher!* This exciting production is student-directed by Sasha Morningstar, a proud member of Walden High's Boys & Girls Club. If you have any questions about the play or how to get involved, feel free to reach out to Sasha Morningstar (Student Director) or Austin Simcox (Faculty Director) directly.

STEM - Math Lab: Come join us every Monday, Wednesday, and Thursday in Math Lab! Students are welcome to attend free math and STEM tutoring sessions, where they can receive support with their math homework, enhance their problem-solving skills, and explore fun STEM topics. Whether they need help with specific assignments or want to delve into exciting new math challenges, the Math Lab offers a supportive environment for learning and growth. Students of all skill levels are encouraged to participate and make the most of this valuable resource!

Sports Enrichment - Basketball Club: Join our new afterschool Basketball Club, starting up every Friday! This co-ed club offers a fun way to develop your basketball skills, make new friends, and stay active. Whether you're a beginner or an experienced player, this is a great opportunity to improve your game and enjoy some friendly competition. Don't miss out on the excitement—sign up today and be part of the team!

Strategy Enrichment - Magic: The Gathering Club: If you enjoy the complex thrill of fantasy-based card games, **Magic: The Gathering (MTG)** is just for you. Our afterschool staff and member club leaders work together to provide clear guidance on game mechanics, helping you develop critical thinking, strategic planning, and problem-solving skills. Whether you're a seasoned player or an eager novice, this club offers a collaborative space to enjoy the intellectually stimulating game and enhance your understanding of game dynamics.

Strategy Enrichment - Dungeons & Dragons Club: Dungeons & Dragons offers numerous educational benefits, including enhancing critical thinking, creativity, and problem-solving skills. It fosters teamwork and collaboration, improves communication and literacy, and reinforces numeracy skills. The game also helps develop social skills and empathy, builds persistence and resilience, and provides leadership and decision-making opportunities, especially for student Dungeon Masters. Overall, D&D is a powerful tool for holistic learning and personal development.

Cultural Enrichment - Multicultural Club: Are you an avid fan of the Japanese language, film, literature, etiquette, and more? Or even just a curious beginner? Come join our Multicultural club! Through group study, we bring Japanese culture immersion to life, highlighting various culture subsets weekly. It's a blast you don't want to miss!
