

April 2025

# Heber Valley

[730 S 6th W, Heber City, UT 84032] | [801-857-4793]

**BOYS & GIRLS CLUBS**  
OF WASATCH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our Social Emotional Learning Focus this month is Discovering our Truth, Learning Self-Improvement, and Persistence & Perseverance.

## Happy Birthday

Koa - 4/17  
Vinny - 4/28

### CLUB CLOSED

3/31 - 4/4 SPRING BREAK

## DID YOU KNOW?

Beginning on April 7th there are only 39 more days of school. What!!! We are both excited and a little sad to think about the school year ending. Where did the time go?

If you are interested in enrolling in our summer Boys & Girls Club program, please email us at

[hebervalley@bgcutah.org](mailto:hebervalley@bgcutah.org)

and we will get you all the info you need!

**Just a heads up, the last day of Club for the school year will be 5/16.**

## April Club & Activity Details

It's April!!!!

It's amazing to think the school year is coming to an end! This month we will be busy learning about spring and spring planting! Don't be surprised when your student brings home their very own herb they grew all by themselves!!

Social Emotional Learning- Positive Action - This month we will focus on Discovering our Truth, Learning Self-Improvement, and Persistence & Perseverance.

Project Learn - Members will be guided and supported in completing any homework assignments. They will also be engaged in age/grade appropriate activities when they don't have any class assignments or homework to complete.

Clubs:

STEM Club - We will spend April learning about spring and how to grow our own food! We will be planting things and hopefully be able to send home some herbs your students have planted and grown!

Get Moving Club - Members really enjoy this club, getting to learn new games, practice teamwork, and developing gross motor skills!

Arts & Crafts Club - We will continue to combine Arts & Crafts with STEM. Your students will need to decorate their pots for their seeds!
