BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our Social Emotional Learning Focus this month is Setting Goals

Happy Birthday

Mary 4/23
Oliver 4/26
Ismael 4/12

UPCOMING EVENTS

Spring Break 3/31-4/4.

CLUB CLOSED

Spring Break 3/31-4/4.

Get To Know Kayla!

Kayla is currently a student at UVU studying Business Management. She is a professional tech decker, enjoys scream singing country music in the car, and spending all of her free time at boys and girls club.

Project Learn

M-TH (3:10-3:55)

Project Learn is a time for your students to receive additional academic support. Staff members are able to help them with math, reading, writing, and other homework subjects.

STEM Club

Monday & Wednesday
3:55pm - 4:25pm

Students will be focusing on Science, specifically biology. They will learn about membranes through Engineering and Elementary curriculum.

Enrichment

M-TH 4:25-5:20

Enrichment activities will include things to further develop our students appreciation for not only their academic careers but their appreciation of their own involvement therein

Social and Emotional Learning

M-F (K-3: 3:15-3:45) (4-6: 3:50-4:20)

Our social emotional learning curriculum for the rest of the year is Positive Action.

April Club & Activity Details

Message to Parents:

We are so excited to be implementing these programs and clubs to help your kids! If you have any questions or any ideas for what you would like your child to be learning while here at the club please feel free to let us know. Thanks!

Student Leadership club - Our student leadership club centers on the older kids leading activities with the younger kids or having leadership centered activities that the younger students can lead and participate in in order to help develop those skills for future use!

Sportsmanship development club - This is in replacement of our SMART moves that we would do on Fridays. It is an opportunity for the students to be able to engage in competitive, safe and enriching activities that focus on cooperation and team building.

Junior Detectives Club – We’re on the case! In the junior detective club we will help the Kids learn logic, observation, and critical thinking skills by solving mysteries, cracking codes, and deciphering invisible ink messages!

Karaoke & Dance Party Club – A fun and energetic club where kids can sing, dance, and perform, helping to build confidence and self-expression!

Project Learn - Project Learn or “Power Hour” is our academic time Monday - Thursday to help support what our club members are learning during the school day. Boys & Girls Club offers homework help, High Yield Learning activities, and other fun games/activities that have an academic focus that are still fun!

STEM - STEM is our twice a week rotation that is taught by our AmeriCorps members! STEM includes topics of science, technology, engineering, and math. Within this club our members will be able to learn and explore aspects of how the world works around them. Building, creating, and constructing projects out of objects in the world around them.

Social Emotional Learning- Similar to previous years, Boys & Girls Club uses two social emotional learning curricula– SMART Moves and Positive Action. Within both curriculums, club members will learn a lot about feelings, emotions, being a good friend/peer, and ways to help others. Social Emotions are crucial to development and we make learning fun through these curriculums!
