BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our Social Emotional Learning focuses this month: **LEARNING SELF-IMPROVEMENT, PERSISTENCE AND PERSEVERANCE, GOAL SETTING, PREPARING FOR THE FUTURE.**

Happy
Birthday!

GET TO KNOW

Hey, My name is Edén Merrill! I'm from Sandy, Utah and I've been working for the Boys and Girls Club for about 2 years. I will be graduating in Exercise and Wellness in April, and starting graduate school for Social Work in the Fall. I'm also getting married in May! I have loved working at the Boys and Girls Club! It is so fun planning activities and watching the kids excel each day. We've had a great year so far and I'm excited for what we have planned for the final months of the school year!

April Club & Activity Details

Message to Parents:

We are super excited to have your kids here with us at the Boys and Girls Club! We cannot wait to tune our minds, learn to take better care of ourselves, try new things, and grow together as a program! The month of March will consist of Avatar the Last Airbender themed activities, games, and crafts, as well as STEM, Positive Action, and a goodbye to one of our staff!

ELEMENTAL PLACEMENT: ON the first Wednesday of April we will assign/sort the students into their elements that they want to bend for the month! These include earth, air, fire and water! This will be from 4:45-5:15 PM.

THURSDAY CLUBS: On Tuesdays from 4:45-5:15 PM, our options will be creating an animal companion, mastering elements, and making bending scrolls to learn how to 'bend' their elements.

ELEMENTAL FOUR SQUARE: In order to teach the four elements of the world (and the Avatar elements), we will be using the game of four-square to engrain the details! This will be on Monday from 4:45-5:15 PM.

TUESDAY ACTIVITIES: From 4:45-5:15 PM on Tuesdays, we will be doing either the elemental pendants, where the students will create a necklace based on their chosen element, make mini air gliders, play a popular game in the universe of Avatar called Air Ball, or work on their elemental flag as a group!

GOODBYE TO STAFF: One of our staff members is getting married and so we have to say goodbye. But of course we want to celebrate her time with us instead of being sad. We will have a small Goodbye party on Monday the 28th from 4:45-5:15 PM!

STEM CLUB: Our STEM specialist will be helping our students conduct scientific experiments. These activities will be offered on Monday and Tuesdays from 4:45-5:15 PM.

BUSINESS CLUB: This month we will be encouraging students to make their own business and present it at their market day, where they can support each other by 'buying' each other's products. This will be held on Wednesdays from 4:45-5:15 PM and Fridays from 2:30-3:20 PM.

FUN FRIDAY ROTATIONS: After a busy week, we love to have a day of fun activities! Fun Friday gives the students the option to choose between our crafts, gym time, outside recess, games, drawings, and sometimes a special electronic game! This is held from 4:00-5:15 PM on Fridays!

SOCIAL EMOTIONAL LEARNING CLUB: Social Emotional Learning is held on Tuesdays and Thursdays from 4:05-4:45 PM. This curriculum is focused on enhancing the students minds, teaching them the importance of positive actions, and educating them on taking care of their bodies and minds!
