BOYS & GIRLS CLUBS
OF SOUTHERN UTAH

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Our Social Emotional Learning Focus this month is: Positive Action Post Survey, Super Hero Me, Using My Power for Good, The Power of Helping Others, Celebrating Friends & Family

Happy
Birthday

Staff Shout Out Ms. Goody & Miss Sophia

A full throated shoutout to Ms. Goody & Miss Sophia! This teaching team makes literacy, math, science, and social emotional learning fun! Ms. Goody & Miss Sophia are compassionate, passionate, creative and they love the kids in afterschool! We appreciate all the fun ways they come up with to challenge kids' minds and reinforce learning from the school day and social emotional learning activities. Afterschool is a better place because of Ms. Goody & Miss Sophia. Thank you!

May Club & Activity Details

Message to Parents:

Can you believe this is the last newsletter and calendar for the school year? Time flies when you're having fun! We are so proud of all the kids in afterschool and the progress they have made over the course of the year. It has truly been a gift to watch them grow and develop as young people. Thank you for allowing us to be part of your children's lives. We love and care for each of them and wish all our families happiness and success!

You'll notice the clubs for this month are basically the same as last. Kids let teachers know that they wanted a chance to do the clubs they didn't get to do over the past weeks. Ms. Goody's board game club kids will be finishing their games but will also have an opportunity to make art with Miss Halli and Jewelry with Miss Gill, and vice versa. Kids were having a little 'FOMO' and voted to keep all of these clubs as options. Teachers were touched that kids valued and were interested in what they were offering and were happy to oblige!

Board Game/Creating Club with Ms. Goody:

Fridays 4:00-5:00

During this club students will, through play, research the various aspects and attributes of board games. Students will be taking their research on these games and brainstorming ideas for their own game. At the end of this club students will have developed and built a game of their own design that they can share with their friends and families

May 2: Beginning to put the board game together.

May 9: Finishing touches for your board game. Getting it ready to play with others in the club the following week.

May 15 (Thursday): Playing your game with others in the club. Taking it home to show family.

Art Club with Miss Halli

Fridays 4:00-5:00

Art club! Students will be able to explore and learn about different kinds of art, while learning about the importance of creativity and composition.

May 2: Weaving with Paper: Students will learn more about the possibilities of paper and will learn to create a woven heart!

May 9: Paper Mâché: Students will continue to learn more about the possibilities of paper by learning about paper Mâché and creating their own pinata.

May 15 (Thursday): Art & Community: Students will learn about how art can bring people together celebrating the end of the school year by breaking our pinatas!

Gateway Elementary Afterschool Program 2024-2025

Jewelry Making Club with Miss Gillian

Fridays 4:00-5:00

Jewelry Making Club focuses on fostering creativity, improving fine motor skills, and building confidence as students design and craft unique pieces of jewelry. Members will explore various materials and techniques, from basic beading to advanced designs, while learning about the cultural and artistic significance of jewelry-making.

May 2: Making Earrings Using Wire-Wrapping and Beads: Students will learn how to create earrings using wire-wrapping techniques and beads. They will practice bending wire, creating loops, and attaching beads to design their own custom earrings, exploring creativity while developing fine motor skills.

May 9: Heart Friendship Bracelets: Students will create heart-patterned friendship bracelets using embroidery floss. They will learn threading, knotting, and pattern-making techniques while focusing on creating a meaningful gift for a friend.

May 15 (Thursday): Friendship Bracelets in Action!: Students will be gifting the bracelets they made the week before to friends and family of their choosing.

K/5 Afterschool Club with Ms. Sophia & Ms. Goody

Monday-Thursday 3:40-4:25 & 4:25-5:10

Fridays 1:45-2:25, 2:30-3:10

Ms. Sophia and Ms. Goody will be exploring our weekly themes and reinforcing what we have learned in our Social Emotional Learning lessons over the course of the month and school year. May lessons and activities will focus on Super Hero Me, Using My Power for Good, The Power of Helping Others, and Celebrating Friends & Family. We will have some fun with 'May the 4th' and the power of kindness, gratitude and finding confidence in ourselves. May the 4th be with you!
