Get To Know

Hi! My name is Brynn and I am the Site Director at

Independence. I worked last year as part of the Sports program and as the Volleyball coach for part of the season. I am so excited to be returning to Independence and continue working with the teens. I recently graduated from UVU and am looking forward to getting my masters in Social Work. I love to go to concerts and movies with my friends. I love playing volleyball and swimming. I am so grateful to be back and am hoping for an amazing year!

May Club & Activity Details

Message to Parents:

Thank you for all that you have done this year! We are nearing the end of the school year and our programs! We have loved working with your child(ren) and are thankful for the opportunity to work with Independence High! Our last day of afterschool will be May 14th! We will be sending out information for the fall during the summer, so be looking for that email or check the website!

Soccer - There will be no State!

Volleyball - For the last rest of the year we are putting up the net! Come to the gym and practice and play some games!

Slam Poetry Club - Students will learn and read about the different forms of Slam Poetry. They will then take the time to write their own slam poetry and perform in front of their peers. Monday and Wednesdays in the Cafeteria from 3:00 - 4:30 pm! We are working towards a Slam Poetry night for students to share their poems!

Career Readiness Club - Students will explore their interests and potential careers, help them map the steps to gaining entry to a postsecondary institution that meets their needs, and develop in them the skills and attributes necessary to succeed after high school. Tuesdays and Thursdays in the cafeteria from 3:00-4:30 pm!

Homework Help (Project Learn) - The main focus of project learn is to help students reinforce the academic enrichment and school engagement during club time and provide tutoring or help as needed. Through homework help after school Monday-Thursday from 3:00 - 4:30 pm.

Social Emotional Learning:

Positive Action - Social Emotional Learning curriculum is an evidence based program that is integrated in afterschool activities to build a positive environment throughout the program -- an environment that encourages students to do their best and be their best. Positive Action teaches real-life concepts that help students feel good about themselves. This program is run Monday & Wednesday with new topics each week.
