30th - Claire

UPCOMING EVENTS

End of the Year Carnival - May 14
Last Day of Club - May 15

CLUB CLOSED

May 19 - 22

Get To Know your teachers!

What was your favorite memory this year? 🧠

♥ Mrs. Becky loved doing a cheer with the kids and was surprised by how fast they learned it.

♥ Mrs. Laurel enjoyed writing skits about the 7 Habits for the members to act out.

♥ Mrs. Lorie loved seeing what the kids were excited about and treasured all the hugs she received.

♥ Miss Nikole's favorite memory was her first day at Milford BGC — she loved meeting everyone and getting to know them.

PARENT RESOURCES

[Parent Handbook](#)
[Membership Handbook](#)

Project Learn

The main focus of power hour will be to help members complete homework and school assignments
Mon-Thurs 4:30-5:00

STEM Labs

STEM stands for Science, Technology, Engineering, and Mathematics. It's an interdisciplinary approach to learning that encourages hands-on exploration, problem-solving, and real-world applications. STEM education focuses on integrating these four disciplines in order to promote critical thinking, innovation, and collaboration. By engaging in STEM activities, individuals develop skills that are essential for success.
Tuesdays at 4:00

Enrichment

Enrichment clubs are to further enrich and broaden our members' experience by offering a variety of clubs. Clubs are to help students build skills in a variety of creative and fun activities
Mon-Thurs 3:30-4:30

Social Emotional Learning (Prevention & Behavior)

Leader In Me and SMART Moves curriculum focus on providing youth with important social-emotional skills. All Social Emotional Learning skills are taught through daily lessons and integrated throughout the rest of the program.
Mon-Wed-Thurs at 4:00

Message to Parents:

As we enter the final month of our program, we want to take a moment to thank you for allowing us to be a part of your child's journey this year. We will miss everyone dearly 💖 and are so grateful for the memories we've made together! 📸 As the school year ends, we encourage all our students to finish strong 💪, keep working hard 📚, and continue making positive choices both in and out of the classroom 🌟. We hope you and your family have a fun, safe, and wonderful summer break ☂️! Thank you for your continued support! 🙏

Spring Fling Club! 🌸 - Get ready for sunshine, smiles, and springtime fun! In **Spring Fling Club**, students will enjoy a mix of outdoor games, creative crafts, and seasonal activities. From colorful chalk art and exciting relay races to bouncing fun and making thoughtful Mother's Day cards — there's something for everyone!

STEM Club 🧪 - Get ready to explore, experiment, and create! In **STEM Club**, students dive into the exciting world of Science, Technology, Engineering, and Math through hands-on activities and fun challenges. From building, testing, and discovering new ideas, to solving real-world problems — there's always something new to learn and explore!

Make and Take Club! 🍷 - Get creative and crafty! In **Make and Take Club**, students will have the chance to design, build, and create fun projects — and the best part is, they get to take their masterpieces home! From art and decorations to handmade gifts and seasonal crafts, each activity is a new way to express creativity and have fun with friends.

Sports Club! ⚽ - Get ready to move, play, and build teamwork! In **Sports Club**, students will stay active while learning the basics of different sports, practicing good sportsmanship, and having fun in friendly games and challenges. Whether it's soccer, basketball, relay races, or playground favorites — there's something for everyone!

Forest Safety Fun! 🐻 - Join us for a special visit from **Jill Ivie** and the one and only **Smokey the Bear** as we learn all about forest safety, wildfire prevention, and how to stay safe while enjoying the great outdoors! This fun and educational event will teach students how to protect nature and make smart choices when exploring. You won't want to miss this beary special guest!

Ride Safe, Stay Safe! 🚲 - We're excited to welcome **Officer Schena** for an important talk about ATV and off-road safety! Students will learn the rules of the trail, the importance of wearing safety gear, and how to make smart choices while riding. Whether you're exploring the outdoors or cruising with friends, safety always comes first!
