BOYS & GIRLS CLUBS
OF SOUTHERN UTAH

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Get To Know

Hi, I'm Halle! This is my 3rd year at BGC and I have grown to love these kids so much! I recently graduated with my Bachelors degree and I am currently working on applying for a Masters program. In my free time, I love anything outdoors - hiking, paddle boarding and geocaching!. I'm excited for another year working here with the kids!

Project Learn

Monday-Thursday

We will be assisting students daily with their homework and reading. Additionally, we will provide fun learning games to help students practice what they are learning in school.

STEM Labs

Monday and Wednesdays

Explore, experiment, and discover! In STEM, kids will dive into science, technology, engineering, and math through fun, hands-on activities that spark curiosity and creativity.

Enrichment

Monday-Thursday

Creative Choice Club
Trivia Club
Spooktacular Club

SMART Moves

Fridays

This is a Social Emotional Learning curriculum that engages club members through actions and activities designed to help them identify their emotions and feelings. It also provides them with positive choices and strategies to appropriately express and manage those emotions.

Happy Birthday

Happy Birthday to all of our club members who celebrate in October!!

October Club & Activity Details

Message to Parents:

We're excited to share that our first month of program has been a great success! We love having your students with us each day and seeing the energy, creativity, and growth they bring to the Club. We still have spots open in our program and would love to welcome even more students to join in the fun and learning. Please help us spread the word to friends, family, and neighbors who might be interested—together we can make this year the best one yet!

Creative Choice Club - gives students the chance to take a break and choose activities that interest them most. Whether they want to read, play games, draw, or simply relax, this club allows members to enjoy a little freedom in how they spend their time while still being in a safe and supportive environment. Choice Time helps students recharge, explore their interests, and build independence through self-directed play. The club will be held every Tuesday and Thursdays.

Spooktacular Club - is a fun, kid-friendly club where we celebrate all things Halloween! Together we'll explore the history and traditions behind the holiday, get creative with festive crafts, and enjoy seasonal activities that bring out the spooky spirit in a positive way. It's the perfect mix of learning, creativity, and Halloween fun!

Trivia Club - is all about fun facts, skill building, and friendly competition! Each week, kids will test their knowledge with exciting trivia games covering topics like history, science, pop culture, and more. Along the way, they'll strengthen skills such as critical thinking, teamwork, memory, and quick problem-solving—all while having a blast and learning something new!
