**BOYS & GIRLS CLUBS**  
OF SOUTHERN UTAH

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

## Get To Know

Hi! My name is Ava Black, and I'm a Junior at Utah Tech University. I am currently working towards my bachelor's degree in communications and plan to pursue a career in real estate after graduation. This is my second year at Panorama and I have thoroughly enjoyed getting to know all of your students and seeing them grow throughout the school year!

### PARENT RESOURCES

[Parent Handbook](#)  
[Membership Handbook](#)

## Project Learn

*Monday-Thursday*

We will be assisting students daily with their homework and reading. Additionally, we will provide fun learning games to help students practice what they are learning in school

## STEM Labs

*Monday and Wednesdays*

Explore, experiment, and discover! In STEM, kids will dive into science, technology, engineering, and math through fun, hands-on activities that spark curiosity and creativity.

## Enrichment

*Monday- Thursday*

Space Club  
Kickball Club  
Seasons of Thanks Club

## SMART Moves

*Fridays*

This is a Social Emotional Learning curriculum that engages club members through actions and activities designed to help them identify their emotions and feelings. It also provides them with strategies to appropriately express and manage those emotions.

Happy Birthday

Happy Birthday to all of our club members who celebrate their special day in November!

### UPCOMING EVENTS

## November Club & Activity Details

### Message to Parents

We are excited to share the fun and learning happening in our clubs this season! Our students have the opportunity to participate in a variety of activities designed to spark creativity, encourage teamwork, and build new skills.

We are thrilled to see our students engaged, learning, and having fun in these clubs. Be sure to ask your child about what they are doing each week — their excitement and creativity are contagious! Thank you for supporting our programs and helping make these experiences meaningful for every student.

**Season of Thanks Club** - students will celebrate the spirit of gratitude and community through fun, hands-on activities. They'll create fall-themed projects, learn about Thanksgiving traditions, and explore the importance of kindness and thankfulness. This club is a wonderful way for students to express creativity while reflecting on what it means to give thanks!

**Space Club** - students will blast off on an exciting journey through the universe! Each week, they'll explore fascinating topics like planets, stars, astronauts, and space exploration through fun, hands-on activities and experiments. From building model rockets to learning about constellations, students will discover the wonders of outer space while sparking their curiosity and imagination.

**Kickball Club** - is all about teamwork, sportsmanship, and active fun! Students will learn the rules of the game, practice their kicking, catching, and running skills, and enjoy friendly matches with their peers. It's a great way for kids to stay active, build confidence, and have a blast playing one of their favorite playground games!
