**BOYS & GIRLS CLUBS**  
OF SOUTHERN UTAH

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Happy Birthday

Happy Birthday to all of our club members who celebrate in January!

## UPCOMING EVENTS

Staff Training - Program Closed: January 16th

## CLUB CLOSED

December 22nd-January 5th  
January 16th  
January 19th

## Get To Know

Deana Anderson is the Safety Director for the Boys & Girls Clubs of Southern Utah! She works to make sure every Club is a safe, welcoming place where kids can learn, grow, and have fun. Deana partners closely with staff to support strong safety practices across all programs!

## PARENT RESOURCES

[Parent Handbook](#)  
[Membership Handbook](#)

## Project Learn

*Monday-Thursday*

We will be assisting students daily with their homework and reading. Additionally, we will provide fun learning games to help students practice what they are learning in school.

## STEM Labs

*Mondays, Wednesdays and Fridays*

Explore, experiment, and discover! In STEM, kids will dive into science, technology, engineering, and math through fun, hands-on activities that spark curiosity and creativity.

## Enrichment

*Monday-Thursday*

Planet Earth Club  
Free Choice Club  
Physical Club

## Social Emotional Learning: Positive Action

*Fridays*

This is a Social Emotional Learning curriculum that engages club members through actions and activities designed to help them identify their emotions and feelings. It also provides them with positive choices and strategies to appropriately express and manage those emotions.

## **After School Program**

### **2025 - 2026**

## **January Club & Activity Details**

### **Message to Parents:**

Welcome back from Christmas break and Happy 2026! We are thrilled to have our students return and are looking forward to an exciting month filled with new clubs, activities, and hands-on learning experiences. Our students will have the chance to explore, create, and stay active while building skills and friendships in a fun, supportive environment. As always, we want to extend a big thank you to our parents—your support and involvement make a huge difference and help our programs thrive. We can't wait to see all the growth, creativity, and fun this month will bring!

**Planet Earth Club** - Our students will explore different habitats and the amazing animals that live there! Each week focuses on a new environment—deserts, oceans, rainforests, and the Arctic. Students will do fun, hands-on activities like creating crafts, designing animals, and playing movement games, all while learning how animals survive and thrive in their homes.

**Free Choice Club** - Gives students the chance to take a break and choose activities that interest them most. Whether they want to read, play games, draw, or simply relax, this club allows members to enjoy a little freedom in how they spend their time while still being in a safe and supportive environment.

**Physical Club** - Students get to choose a different active game or sport each day! From volleyball and kickball to relay races and obstacle challenges, kids will have fun moving, playing, and learning teamwork and sportsmanship. This club is all about staying active, trying new activities, and having fun with friends!
