December Club & Activity Details

Message to Parents: This month we will be closed from December 22nd 2025 until January 5th 2026.

We will be working on math for our homework help time and students will have the opportunity to create art of their own to showcase on December 19th. The students will be encouraged to create their art work based on something they love. For example, it can be their favorite sport, their family, or their favorite movie.

[Club 1] -We will be continuing with our Art club for this month. Students will be working on their project for the showcase at the end on the month.

[Club 2] - Christmas around the world: Students will learn about the different ways Christmas is celebrated in different countries around the world. Students will also be given the opportunity to create a Christmas gift for someone special.
