PARENT RESOURCES

[Parent Handbook](#)
[Membership Handbook](#)

Project Learn

4:15-5:15pm (K-6)
Monday-Thursday

Students will have dedicated time to focus on academically enriching activities which may include completing homework assignments, practicing math skills, reading independently or with peers, or engaging in other High Yield Learning Activities (HYLAs) that reinforce classroom learning.

STEM Labs

3:05-4:00 pm (K-2) Monday & Wednesday
3:05-4:00 pm (3-6) Tuesday & Thursday
3:15-5:15 pm Friday

Activities involving science, technology, engineering, mathematics, and related topics. Kids will learn a variety of STEM related skills and participate in many hands-on activities. This month's focus is Animal Exploration!

Enrichment

3:05-4:00 pm Monday-Thursday
3:15-5:15 pm Friday

Clubs are provided Monday-Thursday that are designed to introduce new activities, new passions, and new ideas to the children. This month's clubs are STEM Club and a specialty club. This month's specialty is Around The World Club..

We offer a rotation of activities on Friday where kids can participate in a new physical, creative, or STEM activity each week.

Social Emotional Learning (Prevention & Behavior)

Positive Action 3:15-4:15pm (K-2), 4:20-5:20pm (3-6)
Friday

Positive Action Lessons:

- Self-Concept: Its Definition, Formation, and Importance
- Beginning a Space-Age Journey...to You!

Bonneville After School Program 2025 - 2026

January Club & Activity Details

Message to Parents:

We're excited to welcome **January at Bonneville** and kick off the new year with a month full of discovery, curiosity, and hands-on learning! As students return from winter break, our afterschool program will continue supporting their growth, confidence, and creativity through engaging clubs and activities designed to keep minds active and inspired.

Power Hour:

Our Power Hour sessions will continue as usual, providing dedicated time for homework help, reading, and academic enrichment. By collaborating closely with school-day teachers and supporting students in completing assignments on-site, we aim to reduce missing work and give families more meaningful time together at home. For students without homework, we offer a wide range of High Yield Learning Activities (HYLAs), along with reading and math programs to help strengthen key academic skills. Students also have access to computers for iReady and other school-related curricula. Power Hour takes place **Monday–Thursday for 60 minutes**.

Animal Exploration STEM Club:

This month's STEM Club invites students to dive into the exciting world of animals and wildlife! In our Animal Exploration STEM Club, youth will investigate different animal species, habitats, adaptations, and behaviors through hands-on experiments, observations, and interactive activities. Students will explore how animals survive and thrive in their environments while building curiosity, critical thinking, and scientific inquiry skills. Grades **4–6** will attend on **Mondays and Wednesdays**, while grades **K–3** will participate on **Tuesdays and Thursdays**.

Around the World Club (Specialty Club):

Our January specialty club takes students on a journey across the globe! In the Around the World Club, youth will learn about different countries, cultures, traditions, and landmarks through games, crafts, music, and interactive discussions. This club encourages curiosity, cultural awareness, and respect for diversity while helping students see how connected our world truly is. Students in grades **K–3** will join on **Mondays and Wednesdays**, and grades **4–6** will participate on **Tuesdays and Thursdays**.

Social-Emotional Learning – Positive Action:

We will continue our Positive Action curriculum, a nationally recognized social-emotional learning program that helps youth build strong self-esteem, foster healthy relationships, and develop positive habits. Through engaging lessons, discussions, and activities, students learn how their thoughts, feelings, and actions work together to influence their choices and success. Positive Action will take place during **Friday rotations** throughout the month.

We're looking forward to a January filled with learning, exploration, and fresh beginnings. Thank you for your continued support in making Bonneville Afterschool a place where kids can grow, connect, and thrive!
