BOYS & GIRLS CLUBS
OF SOUTHERN UTAH

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Happy Birthday

Happy Birthday to all of our club members who celebrate their special day in February!

UPCOMING EVENTS

Valentines Day - Feb. 14th

CLUB CLOSED

Feb. 13 - BGC Training
Feb. 16 - President's Day

Get to Know

Hello families! I wanted to introduce myself since we have some new members. My name is Lexi Dearden and I am the Site Director for Sunset. I recently graduated from Utah Tech University with a bachelor degree in psychology. I love hiking, reading, and spending time with my family!

PARENT RESOURCES

[Parent Handbook](#)
[Membership Handbook](#)

Project Learn

Monday-Thursday

We will be assisting students daily with their homework and reading. Additionally, we will provide fun learning games to help students practice what they are learning in school

STEM Labs

Monday and Wednesdays

Explore, experiment, and discover! In STEM, kids will dive into science, technology, engineering, and math through fun, hands-on activities that spark curiosity and creativity.

Enrichment

Monday- Thursday

Season of Fun Club
Space Club
Animal Club

Social Emotional Learning

Fridays

This is a Social Emotional Learning curriculum that engages club members through actions and activities designed to help them identify their emotions and feelings. It also provides them with strategies to appropriately express and manage those emotions

February Club & Activity Details

Message to Parents:

Happy February! We're excited to share another month of fun and learning in our after-school program. I will be back at the beginning of this month and can't wait to see the kids again! Thank you for your support, and we look forward to another fantastic month together!

Space Club - Students explore the wonders of outer space through hands-on activities, games, and creative projects. Members will learn about planets, stars, astronauts, and galaxies while building models, conducting simple science experiments, and using their imagination to discover the universe.

Animal Club - Animal club gives students a fun, hands-on way to explore the animal world. Kids will learn about different animals, their habitats, and how they survive through games, crafts, videos, and interactive activities. The club encourages curiosity, respect for animals, and an appreciation for wildlife.

Season of Fun Club - Every Tuesday and Thursday, kids will explore their creativity with exciting seasonal projects. Each season brings a new theme—like pumpkins in the fall, snowmen in the winter, and flowers in the spring.
