Happy Birthday

Clifton- 20th

UPCOMING EVENTS

Valentines Activities- Feb. 12th

CLUB CLOSED

Closed on Mondays
Feb. 13th - staff training
Feb 17th - Early out day

Message to Families

We are excited to be able to offer our program **free of cost** to all new and existing members thanks to our generous donors. Please help us spread the word.

For the month of February we will be blasting off on an adventure to space for our enrichment program. The students will learn about the different planets and the stars. They will have the opportunity to create their own solar system and a rocket.

If your students would like to learn about something specific in space feel free to reach out to us and we will help them discover what they would like to know.

PARENT RESOURCES

[Parent Handbook](#)

Project Learn

Tuesday - Friday
3:30PM to 4:30PM (K-5)

Youth will have dedicated time to focus on academically enriching activities which may include completing homework assignments, practicing math skills, reading independently or with peers, or engaging in High Yield Learning Activities that reinforce classroom learning.

STEM Labs

Tuesday and Thursday
3:30PM to 4 PM (K-2)
4 PM to 4:30PM (3-5)

STEM is a program that has activities involving Science, Technology, Engineering, and Math, as well as other related topics. Youth will learn a variety of STEM related skills and participate in many hands-on activities.

Enrichment

Tuesday-Thursday
4:45PM to 5:25PM

Our Enrichment Clubs give students the chance to explore new interests, build skills, and have fun through hands-on activities each week. This month we will be exploring outer space.
