Get To Know Miss Maddie

Some of you may already know me, but for those who are new, my name is Maddie Cardon, and I am the Site Director for Mt. Mahogany. I have had so much fun this school year and am so excited to continue the fun this summer! I love all things crafting and creative, and I enjoy bringing that creativity into everything we do.

PARENT RESOURCES

[Parent Handbook](#)
[Membership Handbook](#)

Soccer Club

Monday/Wednesday

Soccer Club builds skills like passing, shooting, and teamwork in a fun, active setting. The session ends with a parent game to show off what they've learned!

Healthy Snack Club

Monday/Wednesday

Healthy Snack Club lets students make fun, wholesome snacks while learning simple nutrition skills. They'll leave with recipes to keep making healthy choices at home!

Theater Club

Monday/Wednesday

Our Drama Clubs let students sing, dance, and act while building confidence and stage skills. The session ends with a fun showcase performance for family and friends!

Art Studio Club

Tuesday/Thursday

Art Studio lets students explore different styles and create their own artwork while building creativity and confidence. The session ends with a gallery showcase for families to enjoy!

Robotics Club

Tuesday/Thursday

Robotics Club lets students explore coding through fun, hands-on robot challenges. The session ends with a showcase to celebrate their work!

Zumba/Hip Hop Club

Tuesday/Thursday

Hip Hop/Zumba Club keeps students active while they learn fun, high-energy dance routines and build confidence. The session ends with an exciting performance for families!

June Club & Activity Details

Message to Parents:

I have truly loved working with the Mt. Mahogany community this school year and have enjoyed getting to know and care for so many incredible students and families. It has been such a rewarding experience watching our students learn, grow, and build friendships throughout the year.

I am so excited to continue into summer with these fun and engaging clubs! We have an amazing lineup planned, and I look forward to building connections with both returning and new students through these exciting opportunities. Thank you for all of your support this year—I can't wait for a fun-filled summer together!

Specialty Clubs:

Drama/Theater Club – Students of all ages will build confidence and creativity as they sing, dance, and act through fun Broadway-inspired activities. Participants will learn basic stage skills, choreography, and performance techniques while preparing for a special showcase for family and friends at the end of the session!

Soccer Club – Students of all ages will build soccer skills through fun drills, games, and team play while improving coordination, teamwork, and confidence. Participants will practice skills like passing, shooting, and ball control in an active and supportive environment, ending the session with a fun parent/member game!

Healthy Snack Culinary Club – Students of all ages will explore nutrition and learn how to make fun, healthy snacks that fuel their bodies and minds. Participants will try new ingredients and flavors, practice basic kitchen skills, and create tasty recipes to share with family and friends!

Art Club – Students of all ages will explore painting, sculpture, collage, and other creative art projects while learning about famous artists and artistic styles. Participants will build creativity and confidence as they experiment with different techniques and create unique artwork to share in a special gallery showcase for families!

Robotics Club – Students of all ages will explore the basics of coding and robotics through hands-on activities with beginner-friendly robots. Participants will build problem-solving, teamwork, and critical thinking skills while completing fun interactive challenges, ending the session with a special robotics showcase for families!

Hip Hop/Zumba Fusion Club – Students of all ages will stay active and build confidence while learning fun hip-hop combinations and high-energy Zumba routines. Participants will practice teamwork, creativity, and performance skills as they prepare for an exciting end-of-session showcase for families!
