June Club & Activity Detail Club & Activity Details

Americorp STEM Clubs:

Our STEM clubs focus on hands-on learning with the purpose of teaching students the relationship between classroom STEM concepts and their real life applications. STEM clubs are all about exploration through experimentation without fear of failure and with the support of our teachers and students!

Theater Workshop:

Students will have the opportunity to write, cast, direct, and act in their own plays! They will apply literacy and leadership skills in this creative club!

Movement & Sports:

We will be offering several opportunities for students to explore new and exciting sports, activities and team building exercises!

+ **More Clubs to be announced soon!**
