August Club & Activity Details

Message to Parents:

A massive, warm welcome to all of our new and returning families as we kick off an incredible new year! We are absolutely thrilled to have you join our club community.

This year is all about discovery, making new connections, and having a whole lot of fun along the way. We know that the strongest clubs are built when families and members plug in together, and we can't wait to get to know each of you.

Where to Find Us

To get things started on the right note, our home base for the year is the **Music Room**! You will use the pick up line gate that leads to the outside door of the music room.

What to Expect This Week

We have a fantastic 4-day welcome program lined up to help everyone get settled in:

- **Day 1:** Breaking the ice and getting comfortable.
- **Day 2:** Finding our smaller "crews" and making fast friends.
- **Day 3:** Team challenges and collaborative fun.
- **Day 4:** The big showcase and official year launch!

Thank you for trusting us with your brilliant young people. Let's make this a year to remember!

Warmly,

The Club Team
