Get To Know

My name is Denae Syphus, and I earned my Bachelor's degree in Professional Studies from BYU-Idaho, along with an Advanced Certificate in Marriage and Family Studies. As a military spouse, I've had the opportunity to live in different communities and travel to more than 40 countries, which has strengthened my appreciation for diverse cultures, history, and building connections with others. I am excited to get to know our Club members and families and create a fun, welcoming environment where every child feels valued, supported, and inspired.

Project Learn

Monday - Thursday

Project Learn provides students with a supportive environment to complete homework, strengthen reading skills, and build academic confidence. Members receive help from staff with their schoolwork or will participate in HYLA's.

STEM Labs

Monday, Wednesday & Fridays

Explore, experiment, and discover! In STEM, kids will dive into science, technology, engineering, and math through fun, hands-on activities that spark curiosity and creativity.

Enrichment

Monday - Thursday

Physical / Creative Club each month. Members get to try new things, build skills, and have fun while exploring their passions.

SMART Moves / Positive Action

Tuesday, Thursdays & Fridays

This curriculum engages club members through actions and activities designed to help them identify their emotions and feelings. It also provides them with positive choices and strategies to appropriately express and manage those emotions.

August Club & Activity Details

Message to Parents:

- Game Club 🎮🎲

Dear Parents,

We're excited to offer our **Game Club**, where youth can have fun while developing important skills through games and friendly competition. Activities will help children practice **teamwork, communication, problem-solving, critical thinking, patience, and sportsmanship.**

Our goal is to create a positive environment where youth can build friendships, make choices, learn from challenges, and enjoy time together. Through these experiences, we encourage our youth to **learn, grow, connect, and have fun!**

Thank you for supporting our programs and helping us provide meaningful experiences for every child.

- Storytelling Club 📖✨

Dear Parents,

We're excited to offer our **Storytelling Club** as a fun and creative way for youth to express themselves. Through storytelling, children will build **communication, creativity, confidence, listening skills, and imagination** while learning to share their ideas and experiences with others.

Our goal is to provide a welcoming space where every child feels comfortable using their voice, exploring their creativity, and learning from their peers. These activities help our youth develop skills that support them both in the Club and in school.

Thank you for supporting us as we help our youth **learn, grow, create, and find their voice!**

- Physical Club

Dear Parents,

We're excited to offer our **Physical Club**, a fun and active program designed to get youth moving while building healthy habits. Through games, sports, fitness challenges, and group activities, children will develop **teamwork, coordination, confidence, endurance, and sportsmanship**.

Our goal is to help youth discover enjoyable ways to stay active, challenge themselves, and support one another. We want every child to feel included, build confidence, and learn that physical activity can be both **healthy and fun!**

Thank you for supporting our programs as we help our youth **move, grow, connect, and thrive!**

- Zumba Specialty Class

Dear Parents,

We're excited to offer our **Zumba Specialty Class**, a fun and energetic way for youth to stay active while enjoying music and movement. Through dance-based activities, children will build **coordination, confidence, endurance, rhythm, and self-expression** in a positive and welcoming environment.

Our goal is to help youth develop healthy habits while encouraging them to try new activities, express themselves, and have fun with their peers. We want every child to feel comfortable moving at their own pace and celebrating their progress.

Thank you for supporting our programs as we help our youth **move, grow, build confidence, and have fun!**

-Yoga Specialty Class

Dear Parents,

We're excited to offer our **Yoga Specialty Class**, a calming and engaging activity that encourages youth to focus on movement, balance, and mindfulness. Through simple yoga poses, breathing exercises, and relaxation activities, children will practice **flexibility, coordination, focus, confidence, and self-awareness**.

Our goal is to provide youth with positive tools they can use to manage everyday stress, stay active, and take care of their minds and bodies. Most importantly, we want every child to feel comfortable, supported, and proud of their progress.

Thank you for supporting our programs as we help our youth **breathe, move, grow, and thrive!**

- STEM Activities

Dear Parents,

We're excited to offer our **STEM Activities**, where youth can explore science, technology, engineering, and math through fun, hands-on activities and challenges. Children will have opportunities to develop **creativity, critical thinking, problem-solving, teamwork, and curiosity** while exploring how things work.

Utah State Board of Education

Our goal is to encourage youth to ask questions, try new ideas, learn from mistakes, and discover their potential in STEM. We want to make learning exciting and help children build skills that will support them in school and in their future.

Thank you for supporting our programs as we help our youth **explore, create, discover, and grow!**

-Project Learn 📚✨

Dear Parents,

We're excited to offer **Project Learn**, a program designed to support youth in their academic growth while making learning engaging and enjoyable. Through homework help, educational activities, reading, games, and skill-building opportunities, children will strengthen **study habits, confidence, critical thinking, and problem-solving skills**.

Our goal is to help every child feel supported in their learning journey, build confidence in the classroom, and develop skills that will help them succeed both academically and personally.

Thank you for partnering with us as we help our youth **learn, grow, and succeed!**

- SMART Moves 🧠💪

Dear Parents,

We're excited to offer **SMART Moves**, a program that helps youth build the knowledge, confidence, and decision-making skills they need to make healthy and positive choices. Through interactive discussions, activities, and real-life scenarios, children will explore topics such as **goal-setting, communication, problem-solving, healthy choices, and making responsible decisions**.

Our goal is to give youth practical tools they can use in everyday life while creating a safe space where they can ask questions, share ideas, and learn from one another.

Thank you for supporting our programs as we help our youth **think smart, make positive choices, and grow into confident leaders!**

-Positive Action ☀️

Dear Parents,

We're excited to offer **Positive Action**, a program that encourages youth to build a positive mindset and develop healthy social-emotional skills. Through engaging activities and discussions, children will learn about **self-confidence, respect, responsibility, goal-setting, teamwork, and making positive choices**.

Our goal is to help youth recognize their strengths, understand the impact of their actions, and develop the confidence to handle challenges in positive ways. We want every child to feel valued, supported, and empowered to make a difference in their Club and community.

Thank you for supporting our programs as we help our youth **think positively, act responsibly, and grow confidently!**
