AUGUST

WELCOME BACK

Welcome to a brand new school year! I am so excited to see all your smiling faces and can't wait for the fun, learning, and growing we'll do together this year. We are going to have an amazing time making new friends, exploring new opportunities, building many skills, and becoming great club members!

Get to Know:

Hello families! My name is Aubrie Thompson and I'm excited to work with your student(s) this year! I have been working with the Boys & Girls Club for over 3 years in the Salt Lake Area and in Southern Utah but originally from Wisconsin where I have been working in youth development for around 10 years! I love basketball/baseball (Go Cubs and Go Bucks!), my dog, traveling, concerts, and crocheting! I'm so excited to meet you all and have a great year!

Project Learn- Tuesday-Thursday

We will be assisting students daily with their homework and reading. Additionally, we will provide fun learning games to help students practice what they are learning in school.

STEM Labs- Mondays & Wednesdays

Explore, experiment, and discover! In STEM, kids will dive into science, technology, engineering, and math through fun, hands-on activities that spark curiosity and creativity.

Enrichment- Tuesdays & Thursdays

End of Year Club!!!

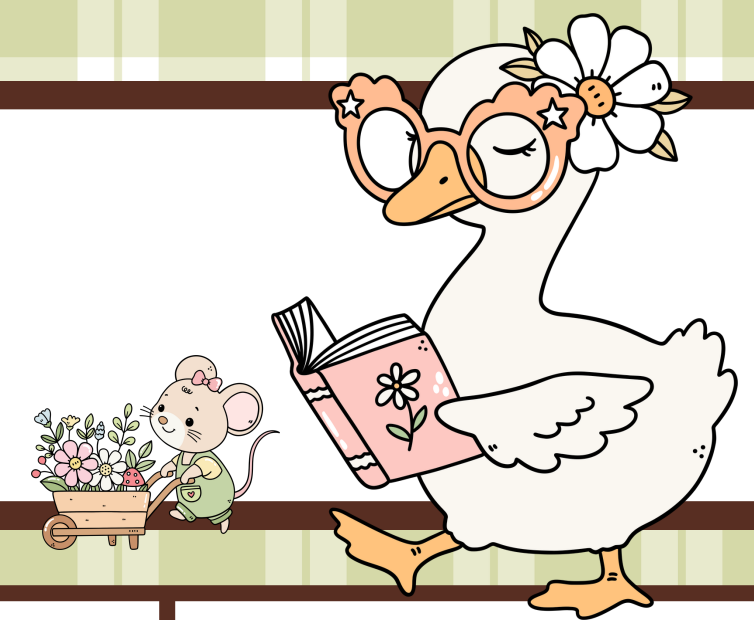

Social Emotional Learning (Prevention & Behavior)- Mondays & Fridays

This is a Social Emotional Learning curriculum that engages club members through actions and activities designed to help them identify their emotions and feelings. It also provides them with positive choices and strategies to appropriately express and manage those emotions.
