Get to Know Your Site Coordinator! ☀️

Hi, I'm Alexis, and I'm excited to be the new Site Coordinator at our Club this year! I'm from Minersville, UT, and I enjoy crafting, drawing, and spending time with my family!

Fun Fact: I have 2 little girls. One just started kindergarten, and my baby is 4 months old! 😊

This year, I'm looking forward to: Getting to meet the kids and their families! And having a fun year they will remember!

August Club & Activity Details

Message to Parents:

Welcome Back! 🎉

We are excited to kick off another great year at the Boys & Girls Club! Our goal is to create a safe, welcoming, and engaging environment where every member feels supported, valued, and encouraged to grow.

Thank you for trusting us with your children. We are grateful for the opportunity to be part of their journey and can't wait to see all the growth, laughter, memories, and accomplishments this school year brings. Here's to an amazing year at Club! 💙✨

Club Kickoff Crew 🤝 (Every day!) - Start each week by connecting with fellow members, building friendships, and strengthening our club community. Members will participate in team-building activities, group discussions, and leadership opportunities while helping to shape the club's expectations, traditions, and goals throughout the year. This club focuses on communication, teamwork, leadership, and creating a positive environment where everyone feels welcome and valued.

STEM Club 🧪 (Tuesdays & Thursdays) - Explore science, technology, engineering, and math through hands-on activities using YES Kits. Members will complete engaging experiments, design challenges, and interactive projects that encourage curiosity, critical thinking, creativity, and problem-solving. STEM Club helps youth discover how STEM concepts connect to the world around them while having fun learning through hands-on experiences.

SMART Moves 🧠 (Mondays- Wednesdays) - Students participate in SMART Moves lessons that help build healthy decision-making skills, goal setting, communication, and resistance to peer pressure. Through interactive activities and discussions, youth learn how to make safe, positive choices and develop skills for success.

Power Hour 📝 (Daily) - Power Hour provides dedicated time for homework completion, reading, and academic enrichment. Staff offers support and encouragement while members build responsibility, organization, time management, and study skills. The goal is to help youth develop strong learning habits and confidence in their academic success.
