UPCOMING EVENTS

Aug 25th-First Day of Program
Aug 27th- Back to School Night

CLUB CLOSED

Mondays
Aug. 1st - Aug. 25th End of Summer

Get To Know

Hi! My name is Reo McGuire and I am the Site Director with the Boys and Girls Club of Utah County for the new afterschool program at Wellington Elementary. This is 1 of 5 brand new sites in Carbon County and I have the great pleasure of working with the faculty and staff at Wellington Elementary. I love working with kids and helping them learn, spending time with my family, and being in the mountains. I am excited to get our program started and meet all the new faces of the students and parents! I am excited to teach your youth new skills and inspire them to have new life experiences.

PARENT RESOURCES

[Parent Handbook](#)
[Membership Handbook](#)

Project Learn

At the beginning of the program each day we will be doing project learn/ homework help. If you would like your student to work on something specific please reach out to let us know.

STEM Labs

Each month the students will learn about Science, Technology, Engineering, and Math through our IEI STEM lessons. Each lesson is disguised in a fun and exciting activity.

Enrichment

This month we will be working on getting to know the students through art projects as well as science projects. Each student will have the opportunity to create and showcase their project. This will allow the students to tell us a little more about themselves without feeling overwhelmed.

Social Emotional Learning (Prevention & Behavior)

This month we will be working on Kindness and Belonging. With the program reopening our goal is to help everyone feel welcome and feel like they belong. By working with the students to teach this it will help set a positive and inclusive environment for our program.

August Club & Activity Details

Message to Parents:

*** Pick-up/drop-off location and procedures**

Student pick up will be in front of the building. We will have a doorbell for parents who pick up their students early. All students will have their stuff packed up and ready to go by 5pm. If you are running late and will not be able to pick up your child(ren) before 5:30 please call to let us know. All parents will be required to show a valid ID for the first 3 weeks of the program to ensure the safety of the students. Once the staff gets to know you we will no longer require an ID. Thank you for your cooperation on keeping everyone safe.

* We will not have a bus for the after school program. Parents will need to pick up the students or send approval for them to walk home.

* Students will be expected to follow the same expectations as during the school day as well as those outlined in the attached parent handbook.

If you need to speak with your student(s) during program hours, please call the site phone.

* Site contact information Phone: (801) 857-6487 Email: castleheights@bgcutah.org
