BOYS & GIRLS CLUBS
OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Happy Birthday!

UPCOMING EVENTS

First day of Afterschool Program, August 24th 2:15PM-5:30PM

CLUB CLOSED

August 19th-21st

Get To Know

Hello! My name is Reagan, and I'm so excited to be your child's after-school program leader this year! My goal is to make this a place your child looks forward to every day!

I'm originally from Draper, Utah, but currently live in Provo. I recently graduated from Utah Valley University with a degree in Applied Communications and a minor in Family Science.

A few things I enjoy in my free time are reading, boating, going on walks outside, getting Chick-fil-A, and traveling!

Please feel free to reach out anytime with questions or just to say hi. I can't wait to get to know your child and have a great year together!

PARENT RESOURCES

[Parent Handbook](#)
[Membership Handbook](#)

Project Learn

M-TH (3:10-3:55)

Project Learn is a time for your students to receive additional academic support. Staff members are able to help them with math, reading, writing, and other homework subjects.

STEM Labs

Monday & Wednesday
3:55pm - 4:25pm

Students will be focusing on Science, specifically biology. They will learn about membranes through Engineering and Elementary curriculum.

Enrichment

M-TH 4:25-5:20

Enrichment activities will include things to further develop our students appreciation for not only their academic careers but their appreciation of their own involvement therein

Social Emotional Learning (Prevention & Behavior)

M-F (K-3: 3:15-3:45) (4-6: 3:50-4:20)

Our focus this month will be on Being true to ourselves (Positive Action & SMART Moves)

Parkside After School Program 2026 - 2027

August Club & Activity Details

Message to Parents:

We are so excited to be implementing these programs and clubs to help your kids! If you have any questions or any ideas for what you would like your child to be learning while here at the club please feel free to let us know. Thanks!

[Project Learn] - Project Learn or "Power Hour" is our academic time Monday - Thursday to help support what our club members are learning during the school day. Boys & Girls Club offers homework help, High Yield Learning activities, and other fun games/activities that have an academic focus that are still fun!

[STEM] - STEM is our twice a week rotation that is taught by our AmeriCorps members! STEM includes topics of science, technology, engineering, and math. Within this club our members will be able to learn and explore aspects of how the world works around them. Building, creating, and constructing projects out of objects in the world around them.

[Social Emotional Learning]- Similar to previous years, Boys & Girls Club uses two social emotional learning curriculums— SMART Moves and Positive Action. Within both curriculums, club members will learn a lot about feelings, emotions, being a good friend/peer, and ways to help others. Social Emotional is crucial to development and we make learning fun through these curriculums!
