BOYS & GIRLS CLUBS
OF CARBON COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Happy Birthday

No birthdays this month

UPCOMING EVENTS

Parent Night- Sept. 24th 5PM to 7PM

CLUB CLOSED

Mondays
Sept. 8th
Sept. 11th

Get To Know

Andrea Ammerman. She is our

AmeriCorps STEM

Specialist with the

Boys & Girls Club

of Utah County,
serving here in

Castle Heights.

She also teaches

STEM at Wellington Elementary,

where she supports students in
exploring hands-on science,

technology, engineering, and math
activities that spark curiosity and

creativity. With a bachelor's degree in

biological science and experience as
a dental assistant, Andrea brings both

practical skills and a strong academic
foundation to her work. She enjoys

inspiring young learners through
engaging projects that make science

fun and approachable. Outside of

work, Andrea loves spending time
with her kids, hiking, cooking, and

traveling.

PARENT RESOURCES

[Parent Handbook](#)
[Membership Handbook](#)

Project Learn

For project learn we will be helping the students with their homework for a minimum of 30 minutes each day.

STEM Labs

This month in STEM the students will be designing and learning about submersibles.

Enrichment

For enrichment this month we will be combining our Social Emotional Learning with fun hands-on activities. The students will be learning about how the weather systems are like our emotions. For example rain-crying, cloudy-sad, thunderstorm- mad, sunny- happy, windy-frustrated. By using the weather to describe emotions it will help the students be able to better express what they are feeling and how we can work through those emotions.

September Club & Activity Details

Message to Parents:

This month we will be learning about how the weather systems are similar to our emotions. We will also be learning about submersibles such as submarines and how to create your own from supplies around the house.

As a reminder, if your student(s) will not be in the after school program on specific days please reach out to our site coordinator as well as the school to let us know. Thank you for your support and we look forward to working with your students.
