Get To Know

Hi I'm Raelynne and I'm so excited to be joining the Boys & Girls Club as the STEM specialist. During the school day, I'm a paraprofessional at Creekview Elementary. I love finding fun, hands-on ways to learn, and I believe the best learning happens when we're having fun, asking questions, and aren't afraid to try something new.

When I'm not at work, you'll usually find me spending time with my family, hanging out with my pets, (three dogs and cat), reading a book, or working on a craft project. Looking forward to an amazing school year with everyone!

September Club & Activity Details

Message to Parents:

Welcome to September! This month, our overarching theme is **Belonging**—creating a warm, inclusive environment where every child feels seen, supported, and excited to learn and grow together.

We have a fantastic month lined up filled with hands-on learning, creative projects, and community building. Here is a look at what's happening:

✨ Featured After-School Clubs

-  **Science & Animal Club:** Students will dive into the wonders of biology and wildlife! We will learn about various animal species, examine unique physical adaptations, and design hands-on natural habitats.
-  **Bookmaking & Author Club:** Our young storytellers will become published authors! Children will learn to develop original characters, storyboard plotlines, illustrate scenes, and hand-bind their very own complete books.

🎉 Save the Date: Family Night!

-  **Date:** Monday, September 28th
-  **Time:** 5:30 PM – 7:00 PM
-  **Location:** Creekview Gym

Mark your calendars! Join us for a special Family Night to celebrate our community. You'll have the chance to connect with other families, tour our activity spaces, and see some of the wonderful projects your children have been working on.

Thank you for your continued partnership and support. If you have any questions about our upcoming clubs or events, please don't hesitate to reach out!
