Meet Zayley!

Hi! I'm Zayley Chadburn, and I'm excited to be part of BGC this year as a Youth Development Professional! I'm from Minersville, and some of my hobbies include reading, painting, spending time with my dogs, and working.

Fun fact: I have 5 dogs! 🐕

This year, I'm looking forward to getting to know the kids better and having lots of fun with exciting clubs and activities!

September Club & Activity Details

Message to Parents:

Welcome to September at the Boys & Girls Club!

We hope you have a great September! 🌟 We're excited for another fun month at the Boys & Girls Club! Every day is filled with opportunities to learn, laugh, make new friends, and enjoy activities in a safe and welcoming environment. This month, members will take part in STEM activities 🧪, enrichment opportunities 🎨, homework support during Power Hour 📚, games 🎮, and time to build friendships and explore new interests. Thank you for being part of our Club family ❤️. We're looking forward to a great September full of fun, learning, and memories. See you at the Club! 🙌

Fall Fun Club 🍂 - A seasonal club where kids can celebrate fall through creative crafts, games, and hands-on activities. Youth will explore different things they enjoy about the season while having fun, working together, and trying new activities.

All About Me Club ✨ - A club designed to help kids learn more about themselves and each other through fun and creative activities. Youth will get to share their interests, favorite things, families, strengths, and goals while building confidence and making connections with others.

Positive Actions 🧑‍🎓 (Tuesdays & Thursdays) - Students participate in Positive Action lessons that help build communication skills, leadership, positive relationships, and healthy decision-making. Lessons include engaging activities and discussions that help youth develop confidence, responsibility, and respect for others.

STEM Club 🧪 (Tuesdays & Thursdays) - Explore STEM through hands-on activities using YES Kits. Members will complete engaging experiments, design challenges, and interactive projects that encourage curiosity, critical thinking, creativity, and problem-solving. STEM Club helps youth discover how STEM concepts connect to the world around them while having fun learning through hands-on experiences.

SMART Moves 🗣️ (Wednesdays) - Students participate in SMART Moves lessons that help build healthy decision-making skills, goal setting, communication, and resistance to peer pressure. Through interactive activities and discussions, youth learn how to make safe, positive choices and develop skills for success.

Net Positive Visit 🖥️ - Members will participate in engaging lessons and activities focused on digital citizenship and online safety. Topics may include responsible technology use, internet safety, cyberbullying prevention, media literacy, and building a positive digital footprint. This club helps youth develop the knowledge and skills needed to navigate the online world safely, respectfully, and confidently.

Power Hour 📚 (Daily) - Power Hour provides dedicated time for homework completion, reading, and academic enrichment. Staff offers support and encouragement while members build responsibility, organization, time management, and study skills. The goal is to help youth develop strong learning habits and confidence in their academic success.
