Get To Know

After taking a year off, Bob decided to come back as a YDP this year. He is still the Head Custodian for Panorama. He chose to spend more time with all these wonderful kids of yours and to continue to teach and mentor them. He's so happy to be back!

PARENT RESOURCES

[Parent Handbook](#)
[Membership Handbook](#)

Project Learn

Monday - Thursday

Project Learn provides students with a supportive environment to complete homework, strengthen reading skills, and build academic confidence. Members receive help from staff with their schoolwork or will participate in HYLA's.

STEM Labs

Wednesdays & Fridays

Explore, experiment, and discover! In STEM, kids will dive into science, technology, engineering, and math through fun, hands-on activities that spark curiosity and creativity.

Enrichment

Monday - Thursday

Physical / Creative Club each month. Members get to try new things, build skills, and have fun while exploring their passions.

Social Emotional Learning (Prevention & Behavior)

Tuesday, Thursdays & Fridays

This curriculum engages club members through actions and activities designed to help them identify their emotions and feelings. It also provides them with positive choices and strategies to appropriately express and manage those emotions.

Panorama After School Program 2026 - 2027

September Club & Activity Details

Message to Parents:

Drama Club

Dear parents,

We are excited to introduce **Drama Club** at the Boys & Girls Club! This club will give members a fun and creative space to explore acting, improvisation, storytelling, and performance while building confidence and making new friends.

Our goals are to help youth develop **communication, creativity, teamwork, confidence, and public-speaking skills** through fun drama games and activities. We look forward to helping our members discover their voices and shine on stage! 🌟🎭

Bowling Club

Dear Parents,

We are excited to introduce **Bowling Club** at the Boys & Girls Club! Members will have the opportunity to enjoy bowling, spend time with friends, and participate in a fun and active club experience.

Our goals are to help youth build **teamwork, communication, confidence, sportsmanship, and coordination skills** while encouraging them to stay active and have fun. 🎳🌟 We look forward to seeing everyone on the lanes!

-Positive Action 🌟

Dear Parents,

We're excited to offer **Positive Action**, a program that encourages youth to build a positive mindset and develop healthy social-emotional skills. Through engaging activities and discussions, children will learn about **self-confidence, respect, responsibility, goal-setting, teamwork, and making positive choices**.

Our goal is to help youth recognize their strengths, understand the impact of their actions, and develop the confidence to handle challenges in positive ways. We want every child to feel valued, supported, and empowered to make a difference in their Club and community.

Utah State Board of Education

Thank you for supporting our programs as we help our youth **think positively, act responsibly, and grow confidently!**

- **SMART Moves** 🧠💪

Dear Parents,

We're excited to offer **SMART Moves**, a program that helps youth build the knowledge, confidence, and decision-making skills they need to make healthy and positive choices. Through interactive discussions, activities, and real-life scenarios, children will explore topics such as **goal-setting, communication, problem-solving, healthy choices, and making responsible decisions.**

Our goal is to give youth practical tools they can use in everyday life while creating a safe space where they can ask questions, share ideas, and learn from one another.

Thank you for supporting our programs as we help our youth **think smart, make positive choices, and grow into confident leaders!**

- **Project Learn** 📚✨

Dear Parents,

We're excited to offer **Project Learn**, a program designed to support youth in their academic growth while making learning engaging and enjoyable. Through homework help, educational activities, reading, games, and skill-building opportunities, children will strengthen **study habits, confidence, critical thinking, and problem-solving skills.**

Our goal is to help every child feel supported in their learning journey, build confidence in the classroom, and develop skills that will help them succeed both academically and personally.

Thank you for partnering with us as we help our youth **learn, grow, and succeed!**

- **STEM Activities** 🔬🚀

Dear Parents,

We're excited to offer our **STEM Activities**, where youth can explore science, technology, engineering, and math through fun, hands-on activities and challenges. Children will have opportunities to develop **creativity, critical thinking, problem-solving, teamwork, and curiosity** while exploring how things work.

Our goal is to encourage youth to ask questions, try new ideas, learn from mistakes, and discover their potential in STEM. We want to make learning exciting and help children build skills that will support them in school and in their future.

Thank you for supporting our programs as we help our youth **explore, create, discover, and grow!**
