October Club & Activity Details

Message to Parents:

Hello Everyone! This month we will be continuing some different curriculum aligned with Boys and Girls Clubs across the county designed to help children develop in multiple key areas. We are thrilled to partner with you in our afterschool program this year! Our goal is to create a fun, supportive environment where your child can explore new interests, build skills, and form lasting friendships. We're excited to work together to make this a rewarding experience for everyone involved! As a reminder, we will still need all parents/guardians/family to bring ID for pick up and ensure you add anyone who is able to pick up the child to their registration. We do this to ensure the safety of all the students and their families. We are so excited to continue our work with you all and hope to make it an amazing year!

Creepy Canvas Club – Grab your paintbrushes and get ready for a spooktacular time! In Creepy Canvas Club, our members will create fun and creepy-cute Halloween masterpieces while exploring their creativity and imagination. From spooky scenes and silly monsters to colorful pumpkins and haunted creations, youth will have the chance to make their own unique works of art. This club is all about getting creative, trying new painting techniques, and having a boo-tiful time with friends! Creepy Canvas Club is offered Tuesday and Thursday from 4:20–5:25

Zombie Chase Club – Get ready to run, dodge, and survive the ultimate zombie adventure! In Zombie Chase Club, our members will participate in exciting games, challenges, and activities inspired by a zombie outbreak. Youth will use teamwork, speed, strategy, and quick thinking as they race to escape the zombies and complete different challenges. Whether you're a zombie or trying to survive the chase, everyone will have a chance to get moving, have fun, and enjoy some spooky Halloween excitement! Zombie Chase Club is offered Tuesday and Thursday from 4:20–5:25, with K–5

Positive Action - Positive Action is a social-emotional learning curriculum that helps members develop a strong, healthy self-concept and make positive choices. Members learn about kindness, responsibility, taking care of themselves and others, and how their actions can affect how they feel. Positive Action is offered Tuesday and Thursday from 4:20-5:25, with K-3 and 4-5 members participating at different times.
