October Club & Activity Details

Message to Parents:

We are excited for another great month at the Boys & Girls Club! Throughout October, our goal is to provide members with a variety of activities that encourage creativity, teamwork, confidence, and positive relationships. Members will have opportunities to explore new interests, develop skills, stay active, and most importantly, have fun in a safe and supportive environment. We look forward to a fun-filled October!

Dance & Yoga – Members will have the opportunity to stay active through dance and yoga activities. These activities focus on movement, coordination, flexibility, confidence, and healthy ways to manage stress and energy.

Robotics & STEM – Through hands-on STEM and robotics activities, members will explore science, technology, engineering, and problem-solving. Members will work together on challenges that encourage creativity, critical thinking, and teamwork.

Arts & Crafts – Members will get creative through different art projects and hands-on activities. Arts & Crafts gives members an opportunity to express themselves while developing creativity, patience, and fine motor skills.

Magic: The Gathering & Board Games – Members can learn and play Magic: The Gathering along with a variety of board games. These activities help develop strategy, problem-solving, communication, sportsmanship, and positive social skills.

Positive Action & Net Positive – These activities focus on helping members build confidence, strengthen relationships, make positive choices, and contribute to a positive Club environment. Members will participate in discussions and activities centered around character development, teamwork, and personal growth.

Karate & Sports Club – Members will stay active while learning new physical skills through karate and various sports. Activities will focus on coordination, discipline, teamwork, sportsmanship, and having fun while being active.

Jeopardy & Kahoot – Members will put their knowledge to the test with fun and interactive Jeopardy and Kahoot games! These activities encourage friendly competition, teamwork, quick thinking, and learning in an engaging environment.

Halloween No-Bake Activity – To celebrate Halloween, members will participate in a fun no-bake food activity. Members will practice following directions, working together, and being creative while making a Halloween-themed treat.

Power Hour – Power Hour provides members with dedicated time to focus on homework, reading, studying, and other academic needs. Staff will be available to provide support and encourage members to build strong study habits and stay on top of their schoolwork.

THERE'S STILL TIME TO JOIN! 🎉

Haven't registered your student for Boys & Girls Club yet? It's not too late!

Boys & Girls Club is FREE and provides students with a fun, safe, and welcoming place to go after school. Members can spend time with friends, get homework help, enjoy snacks, and participate in activities like STEM, robotics, sports, arts & crafts, games, and more!

Students do not have to attend every day—they are welcome to come whenever the Club works with their schedule!
