BOYS & GIRLS CLUBS OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Happy Birthday!

Happy Birthday to all of our club members with birthdays in August!

UPCOMING EVENTS

8/24 - First Day of Club
8/26 - Fire Drill

CLUB CLOSED

Welcome to the Clubhouse!

We're excited to have you and your family with us this school year! Our team is looking forward to a year full of learning, friendships, and fun. Be sure to check out this newsletter for upcoming events, important reminders, and highlights from around the Club. Thanks for being part of our Club family!

PARENT RESOURCES

Parent Handbook
Membership Handbook

Project Learn: Power Hour

Daily @ 5pm

Project Learn is a daily opportunity for youth to learn new skills, practice and refine existing skills through engaging activities such as theme based clubs, homework help, and HYLA's (High Creative, Physical & STEM Rotations Learning Activities) and also participate in our math & reading programs.

STEM Labs

Monday - Thursday @ 4pm

Youth learn all about the scientific and design processes through hands-on and engaging experiments.

Enrichment

Daily @ 4pm

We have a variety of fun skill based enrichment activities. Look at the calendar for a full schedule of all the fun and to see the various activities taking place this month.

Social Emotional Learning (Prevention & Behavior)

Positive Action: Monday - Friday (incorporated in all club activities)
SMART MOVES: Fridays @ 2:30pm

SMART Moves curriculum focuses on providing youth with important social-emotional skills. All SEL skills are taught through weekly lessons and then integrated throughout club activities.

August Club & Activity Details

Message to Parents:

Welcome back! We are excited to kick off another fun and exciting school year at the Boys & Girls Club. We look forward to providing a safe, supportive, and engaging place where your child can learn, grow, and make new friends. Be sure to check our newsletter each month for important updates, upcoming events, and program highlights. Thank you for being part of our Club family—we can't wait for a great year together!

STEM | M/W (K-2) T/Th (3-6) - Explore science, technology, engineering, and math through hands-on experiments, building challenges, coding activities, and creative problem-solving.

Health Heroes | M/W (K-2) - Health Heroes teaches kids about how their bodies work, healthy habits, and basic first aid skills. Members will learn how to stay safe, respond to emergencies, manage stress, and make healthy choices while building confidence and learning ways to help themselves and others.

Dance It Up! | T/Th (K-2) - Get moving while learning dance routines, building confidence, improving coordination, and expressing creativity through music and movement.

Rising Voices Choir | M/W (3-6) T/Th (K-2) - Raise your voice and have fun! Members will learn new songs, practice singing together, build confidence, and prepare for performances in a fun and welcoming environment. No singing experience is needed—everyone is welcome!

Lego Robotics | T/Th (3-6) - Design, build, and program LEGO robots while learning the basics of engineering, coding, teamwork, and creative problem-solving through fun challenges.

Cooking Club |T/Th (3-6) - Learn basic cooking and kitchen safety skills while preparing simple, delicious recipes and exploring healthy ingredients from around the world.

Soccer | M/W (K-2) T/Th (3-6) - Practice soccer skills like dribbling, passing, shooting, and teamwork while staying active through games and friendly competition.

Cardboard Creations | F (K-2, 3-6) - Use imagination and engineering skills to design and build amazing projects using cardboard and other recycled materials.

Sports Club | F (K-2, 3-6) - Stay active by playing a variety of sports and fitness games that promote teamwork, sportsmanship, and healthy lifestyles.

Club Scouts | F (K-2) - Build life skills through team challenges, service projects, leadership opportunities, and adventures that encourage responsibility and confidence.

Clay Club | F (K-2) - Get creative with clay! Members will learn basic clay-building techniques while creating fun projects, using their imagination, and building fine motor skills in a hands-on environment.

Sewing Club | F (3-6) - Discover the fundamentals of sewing by creating fun projects, learning basic stitching techniques, and building confidence with hands-on crafting skills.

3D Printing Club | F (3-6) - Explore the exciting world of design and technology by creating digital models and bringing ideas to life with a 3D printer while learning about engineering and innovation.
