Get To Know

Hi! My name is Kenzlee Sparks, and I'm very happy to be the new Youth development professional for Heritage Elementary. I love helping kids explore new things, express themselves, and build confidence. I enjoy making activities fun and engaging, especially through art, games and hands-on learning. I'm excited to create fun memories, learn alongside your children, and help make their time with us a positive experience!

November Club & Activity Details

Message to Parents:

Hello Everyone! This month we will be continuing some different curriculum aligned with Boys and Girls Clubs across the county designed to help children develop in multiple key areas. We are thrilled to partner with you in our afterschool program this year! Our goal is to create a fun, supportive environment where your child can explore new interests, build skills, and form lasting friendships. We're excited to work together to make this a rewarding experience for everyone involved! As a reminder, we will still need all parents/guardians/family to bring ID for pick up and ensure you add anyone who is able to pick up the child to their registration. We do this to ensure the safety of all the students and their families. We are so excited to continue our work with you all and hope to make it an amazing year!

Turkey Trot Challenge- Kids participate in fun Thanksgiving-themed movement games, relay races, obstacle courses, and challenges. They can waddle like turkeys, race to collect feathers, and work together in teams.

Fall Creations Club- Kids explore fall-themed crafts, including colorful leaf art, thankful trees, paper scarecrows, and Thanksgiving decorations. Each week features a different project they can make and take home.

Positive Action- Positive Action is a social-emotional learning curriculum that helps members develop a strong, healthy self-concept and make positive choices. Members learn about kindness, responsibility, taking care of themselves and others, and how their actions can affect how they feel. Positive Action is offered Tuesday and Thursday from 4:20-4:50 & 4:40-5:25
