Fall Family Fun Challenges:

Thanksgiving break is an awesome time for families to spend time together. We challenge your families to do at least three of these activity ideas over break!

Game night: pick out a few games to play together

Nature Walk: Find a fall scavenger hunt online and go on a nature walk to find all things fall!

Make a yummy dessert together

Create a gratitude journal your family can write in every thanksgiving for the years to come

Make a thank you card for someone important to you

Read a book together! For longer books, take turns reading or acting out the parts.

November Club & Activity Details

BOYS & GIRLS CLUBS OF SOUTHERN UTAH

This month, we're focusing on gratitude, kindness, and giving back. Thank you for sharing your wonderful children with us and for being an important part of our Club family.

ENRICHMENT CLUB -This month we have 2 different Enrichment clubs! On Mondays we will have Soccer Stars Club where youth will build soccer skills, practice teamwork, and enjoy fun drills and friendly games while learning the fundamentals of the sport! On Wednesdays we will have the Kindness Quest Club where youth will complete secret/ random acts of kindness for the school, friends, family, and community.

EIE STEM - We have learned so much about caring for our planet and environment so far in our Water Filters Unit. We are going to finish the unit this month, complete with water filters designed and engineered by our youth!

Positive Action/SMART Moves- This month our focus in Positive Action is using positive actions to help us manage our time, energy, & possessions. For SMART Moves we will be creating "I Can" Plans and Coping Tool Boxes that youth can use to help them manage their feelings and overcome the obstacles they face.

PROJECT LEARN: Project Learn reinforces the academic enrichment & school engagement of youth while at club! This year we will all be using part of Project Learn time to strengthen our literacy skills through reading and literacy games Monday-Wednesday afternoons. We have been doing some fun games to help reinforce our literacy skills!

NET POSITIVE: Net Positive is an empowering course for youth to learn how to be safe online. They will learn skills such as identifying suspicious behavior, information that should or should not be shared, and taking responsibility when they encounter something unsafe for youth online.

CREATIVE CLUB: We will be getting creative with a service project this month! We will be creating Thanksgiving Place Mats for local nursing homes with messages of kindness and gratitude to share with the residents.

ACTIVE CLUB: The Great Turkey Trot Challenge! We are encouraging youth to stay active through the holiday breaks that are coming up. We will do this by having kids earn turkey feathers for every lap they run/walk during active club. Feathers earned will be added to a giant drawing of a turkey and once the turkeys feathers get completely filled up, we will earn a movie day on the day before Thanksgiving Break!

Please remember to check lost and found for any items before break!
