November Club & Activity Details

Message to Parents:

🍂 **Happy November!** 🦃

We are excited for another great month at the Boys & Girls Club! As we head into the season of gratitude, we wish all our members and families a wonderful November. We hope this month brings time to enjoy family, friends, and all the things that make this season special.

Thank you for being part of our Boys & Girls Club family. We are grateful for you and for the opportunity to serve you, and we look forward to another amazing month together!

Celebrating Native Cultures 🪶 - Students will explore the rich histories, cultures, and traditions of different Native American nations throughout November! Through hands-on crafts, storytelling, games, and educational activities, students will discover unique traditions, learn about Indigenous heritage, and celebrate the diversity of Native cultures.

Joy & Traditions Club 🤟 - Throughout November, students will celebrate the joy of family, friendship, and traditions! Through storytelling, creative crafts, and fun activities, students will share family traditions, explore what brings them happiness, and learn the importance of kindness, gratitude, and togetherness.

Positive Actions 🫂**(Tuesdays & Thursdays)** - Students participate in Positive Action lessons that help build communication skills, leadership, positive relationships, and healthy decision-making. Lessons include engaging activities and discussions that help youth develop confidence, responsibility, and respect for others.

STEM Club🧪 **(Tuesdays & Thursdays)** - Explore STEM through hands-on activities using YES Kits. Members will complete engaging experiments, design challenges, and interactive projects that encourage curiosity, critical thinking, creativity, and problem-solving. STEM Club helps youth discover how STEM concepts connect to the world around them while having fun learning through hands-on experiences.

Net Positive Visit🖥️ - Members will participate in engaging lessons and activities focused on digital citizenship and online safety. Topics may include responsible technology use, internet safety, cyberbullying prevention, media literacy, and building a positive digital footprint. This club helps youth develop the knowledge and skills needed to navigate the online world safely, respectfully, and confidently.

Power Hour ✏️ **(Daily)** - Power Hour provides dedicated time for homework completion, reading, and academic enrichment. Staff offer support and encouragement while members build responsibility, organization, time management, and study skills. The goal is to help youth develop strong learning habits and confidence in their academic success
