November Club & Activity Details

Message to Parents:

As the school year gets into full swing, we want to say a huge thank you for trusting us with your children every afternoon!

We are absolutely loving having them with us at club, seeing their smiling faces, and watching them grow, learn, and try new things each day.

As a friendly reminder, we set aside dedicated homework time every single day during program, so please encourage your child to bring their assignments with them! We are here to help them stay on top of their schoolwork while still making time for plenty of fun, friendship, and hands-on activities.

If you have any questions, please don't hesitate to reach out. We are happy to help!

Thankfulness Club:

Get ready to celebrate the season of appreciation with our Thankfulness Club this November! Throughout the month, youth will discover what it means to be thankful for themselves, their loved ones, and the world around them.

Youth will dive into interactive daily activities, including learning uplifting gratitude songs, playing hands-on group games, and celebrating what makes each of us unique. Best of all, every participant will craft a special, personalized thankfulness item to take home and share with their families.

Join us as we spread positivity, build self-worth, and practice gratitude all month long!
