Get To Know

My name is Jonny Cook. I am a recent BYU graduate with a Bachelor's degree in Public Health emphasizing in Health Science. I'm from Salt Lake City and grew up with four brothers, and I have two nephews with a niece on the way! I enjoy science, music, and art and love reading and movies. I love coming up with fun activities and themes for your students to do, and have a fun time with them every day at afterschool!

November Club & Activity Details

Message to Parents:

Hello Parents and Guardians, welcome to the month of November! If you are just joining us, welcome! This month, we are excited to introduce **Nintendo November!** Throughout the month, students will get to explore the worlds of their favorite Nintendo characters through fun games, creative crafts, and exciting challenges! From Super Mario Bros. and Mario Kart to Pokémon and more, we have lots of fun activities planned! We can't wait to bring some of our favorite video games to life and have a fun-filled month with our students!

Nintendo - The activities this month are all Nintendo themed and include: Live Action Mario Kart, creating and designing a pokemon card, designing super smash bro stages, making pokeballs, creating shields from legend of zelda, and more!

Stem - For the first term of STEM the students will get to learn how to create Knee Braces and learn about modern medicine!

PowerHour - This is our homework help time, we will have a math tutoring group on Monday, Writing on Tuesday, Reading on Wednesday, and English on Thursday.
