BOYS & GIRLS CLUBS OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Happy Birthday!

Stay tuned next month!

UPCOMING EVENTS

- First Day of School
- First Day of Boys and Girls Club

CLUB CLOSED

Our first day back will be the 24th of August!

Get To Know

We're so excited to be back this year! We'll be doing a get to know you for our new staff soon!

PARENT RESOURCES

Parent Handbook
Membership Handbook

Project Learn

4:15-5:15pm (K-6)
Monday-Thursday

Students will have dedicated time to focus on academically enriching activities which may include completing homework assignments, practicing math skills, reading independently or with peers, or engaging in other High Yield Learning Activities (HYLAs) that reinforce classroom learning. This time is what we call Power Hour.

STEM Labs

K-3 Mondays and Wednesdays | 4:00-4:45pm
4-6 Tuesdays and Thursdays | 4:00-4:45pm

Activities involving science, technology, engineering, mathematics, and related topics. Kids will learn a variety of STEM related skills and participate in many hands-on activities. We will start our STEM labs the week of the 31st.

Enrichment

For our first week of the program we will be doing various get to know you activities with the students. Our clubs will begin August 31st!

Social Emotional Learning (Prevention & Behavior)

We will begin our SMART moves program this month and continue to have it on Fridays. This month we will be making our group agreements together.

OF UTAH COUNTY

August Club & Activity Details

Message to Parents:

We're excited to kick off a new year at Bonneville Afterschool! Our goal is to provide students with a safe, welcoming environment where they can build friendships, discover new interests, develop important life skills, and have fun outside of the school day.

Throughout the year, our clubs and activities will give students opportunities to explore different subjects, stay active, be creative, work as a team, and learn through hands-on experiences. This first week will focus on fun get-to-know-you activities, building relationships with staff and peers, and introducing students to our Power Hour routine.

Power Hour will provide dedicated time for homework help, reading, math enrichment, iReady, and other academic activities throughout the school year. We look forward to a great year of learning, growth, and fun with our Bonneville students!
