BOYS & GIRLS CLUBS OF UTAH COUNTY

The mission of the Boys & Girls Clubs of Utah County is to inspire and enable all young people, especially those who need us most, to realize their full potential as productive and responsible citizens and leaders.

Happy Birthday

Rebecca - November 11
Nicole - November 28th

UPCOMING EVENTS

The theme this month is GRATITUDE. We will learn about being thankful, appreciating the people around us, and recognizing the good things in our lives.

CLUB CLOSED

November 2nd
November 13
Thanksgiving Break:November 25th-27th

Get To Know

Hi! My name is Haven! I am a student at UVU and have been with the boys and girls club for about 5 years! I am the STEM teacher this year at parkside and am so excited for the rest of the year!

PARENT RESOURCES

Parent Handbook
Membership Handbook

Project Learn

Monday - Thursday
5:00 - 5:30 PM

Project Learn is a time for your students to receive additional academic support. Staff members are able to help them with math, reading, writing, and other homework subjects.

STEM Labs

Tuesday & Thursday
3:30 - 4:15 PM

Students will be focusing on Science, specifically biology. They will learn about membranes through Engineering and Elementary curriculum.

Enrichment

Monday - Friday
4:20 - 5:00 PM

Clubs are provided Monday-Thursday that are designed to introduce new activities, new passions, and new ideas to the children.

Social Emotional Learning (Prevention & Behavior)

Monday & Wednesday
3:30 - 4:15 PM

Focus: Recognizing Emotions. Students will learn to manage emotions, make positive choices through Positive Action & SMART Moves, and build teamwork skills through communication and cooperation.

BOYS & GIRLS CLUBS
OF UTAH COUNTY

November Club & Activity Details

Message to Parents:

We're so excited to bring these programs and clubs to your kids! Our goal is to make their time with us fun, meaningful, and full of opportunities to learn and grow. 💛 If you ever have questions or ideas for things you'd love for your child to learn or try, we'd love to hear from you! Thank you for being part of our club family!

[Project Learn] - Project Learn or "Power Hour" is our academic time Tuesday & Thursday to help support what our club members are learning during the school day. Boys & Girls Club offers homework help, High Yield Learning activities, and other fun games/activities that have an academic focus that are still fun!

[STEM] - STEM is our twice a week rotation that is taught by our AmeriCorps members! STEM includes topics of science, technology,engineering, and math. Within this club our members will be able to learn and explore aspects of how the world works around them. Building, creating, and constructing projects out of objects in the world around them.

[Social Emotional Learning]- Similar to previous years, Boys & Girls Club uses two social emotional learning curricula– SMART Moves and Positive Action. Within both curriculums, club members will learn a lot about feelings, emotions, being a good friend/peer, and ways to help others. Social Emotions are crucial to development and we make learning fun through these curriculums!

[Sports Club]- Tuesdays and Thursdays club members will have the chance to stay active, learn new sports, and build teamwork skills. Through fun games and activities, kids will practice sportsmanship, communication, and working together while having a great time! Our goal is to make being active fun and help every club member feel confident and included.
